Elliott Associates, L.P. and Elliott International, L.P., together with the other participants in such proxy solicitation (collectively, “Elliott”), have filed a definitive proxy statement and accompanying **BLUE** proxy card with the Securities and Exchange Commission to be used to solicit votes for the election of its slate of four highly-qualified director nominees at the 2017 annual meeting of shareholders of Arconic Inc., a Pennsylvania corporation (the “Company”).

Item 1: On May 17, 2017, Elliott issued the following letters and the materials attached hereto as Exhibit 1 to the Company’s shareholders, which were also posted by Elliott to www.NewArconic.com:

Dear Fellow Arconic Shareholder:

You are receiving this letter because **you are a shareholder of Arconic Inc.** (“Arconic” or the “Company”), which was formerly a part of Alcoa Inc. This letter contains **important information** about your investment, **including TWO back-to-back videos that you can watch on the enclosed video player.**

Video 1: “Klaus Kleinfeld vs. the Facts”

Arconic Chairman and CEO Klaus Kleinfeld resigned last month when it was revealed that he sent a letter threatening a senior officer at the Company’s largest shareholder. **The first enclosed video shows that the Arconic Board of Directors should have fired Dr. Kleinfeld long ago.**

Under Dr. Kleinfeld:

- Shares declined nearly 70% in value
- Shareholder returns were the worst in the S&P 500
- 2016 performance targets were missed in every business segment
- Shareholder rights have been frustrated by poor corporate governance practices
- Dr. Kleinfeld was paid \$128 million by the Board

In its previous letters to you, Arconic’s Board asked you to trust its judgment and stick with Dr. Kleinfeld.

Now, even after Dr. Kleinfeld **threatened a shareholder** and resigned in disgrace, the Board is *still* asking shareholders to trust its judgment – even though it **continues to insist that it will follow the same “strategy”** that produced the abysmal results shown in the first video enclosed.

Watch the first video and ask: If a 70% decline in the value of **your investment** is the “strategy” and “leadership” endorsed by Arconic’s Board (that values “winning” over proper governance practices), then **why should we trust this Board with our Company’s future?**

YOUR SUPPORT IS EXTREMELY IMPORTANT – VOTE ONLY THE BLUE CARD

Video 2: “Meet the Shareholder Nominees”

The **second enclosed video** introduces you to **four new independent, highly qualified shareholder nominees**:

- **Christopher L. Ayers** – Former Alcoa and experienced operating executive, aerospace components expert
- **Elmer L. Doty** – Former CEO of Vaught Aircraft, over 40 years of leadership experience in heavy industry
- **Bernd F. Kessler** – Former CEO of SR Technics, extensive aerospace operating experience
- **Patrice E. Merrin** – Experienced business executive and board director, has led two CEO search processes

Watch the second video so you can hear from these nominees in their own words regarding their backgrounds, qualifications, thoughts on Arconic, and goals for coming together as a Board.

This important new video shows that while questions about the Company’s slate linger, the independence, qualifications, and operating experience of the nominees put forward by Elliott (the “Shareholder Nominees”) are beyond debate. Specifically:

- The Shareholder Nominees possess **deep industry knowledge** and **extensive operating experience**.
- The Shareholder Nominees **are completely independent** – they will have no ties with Elliott.
- The Shareholder Nominees would add **a combined 80 years of industry experience** (including at the Company and its closest competitor, Precision Castparts Corporation) to the Arconic Board.
- One of the Shareholder Nominees is a former industrial and materials executive **who has run multiple CEO searches**.
- The Shareholder Nominees would be **ready on day one to start creating value** for shareholders as constructive members of the Arconic Board.

Arconic’s Board has **acknowledged** that *all* of the Shareholder Nominees are highly qualified, independent and worthy of Board membership – yet it continues to oppose their election. **Unfortunately, Arconic’s Board seems more concerned with “winning” a vote than responding to shareholder concerns or doing what is in the best long-term interest of Arconic.**

We remain convinced that the only realistic way to produce the kind of change Arconic needs is through the election of **all four** of the highly qualified Shareholder Nominees to Arconic’s Board.

We are grateful for and appreciative of the time you have already spent staying informed about the upcoming vote, and we hope you’ll take a few moments to **watch these important videos**.

You can take action to protect your investment and help us bring *real* change to Arconic. Arconic is ready to rise. Please vote using only the **BLUE** proxy card today.

Thank you,

Elliott Management Corporation
