each as amended from time to time (collectively, the “Registration Statements”).

This Amendment constitutes Post-Effective Amendment No. 9 to Registration Statement Nos. 333-32516 and 333-106411; Post-Effective Amendment No. 4 to Registration Statement Nos. 333-128445, 333-146330, 333-153369, 333-155668 and 333-168428; Post-Effective Amendment No. 3 to Registration Statement Nos. 333-170801 and 333-182899; and Post-Effective Amendment No. 2 to Registration Statement No. 333-209772.

On November 1, 2016, Arconic completed the separation of its business into two independent, publicly traded companies (Separation) – Arconic and Alcoa Corporation (formerly known as Alcoa Upstream Corporation). As a result of the Separation, the offering of Arconic common stock, par value \$1.00 per share (“Common Stock”) and plan interests under each of the Retirement Savings Plan for Hourly Employees of Alcoa USA Corp. and the Retirement Savings Plan for Salaried Employees of Alcoa USA Corp. (together, the “Alcoa Corp. Plans”) has terminated.

This Amendment to the Registration Statements is being filed for the purpose of (i) deleting the Alcoa Corp. Plans from the Registration Statements, (ii) adding the Arconic Retirement Savings Plan for ATEP Bargaining Employees (the “ATEP Plan”) to the Registration Statements and offering Common Stock and plan interests to participating employees of RTI International Metals, Inc. and its subsidiaries under the ATEP Plan, (iii) reallocating to the ATEP Plan 125,000 shares of Common Stock that were previously allocated to the Alcoa Corp. Plans and (iv) reallocating to each of the Arconic Hourly Non-Bargaining Retirement Savings Plan and the Arconic Fastener Systems and Rings Retirement Savings Plan, 252,640 shares of Common Stock that were previously allocated to the Alcoa Corp. Plans.

With this filing, the aggregate amount of shares of Common Stock originally registered on the Registration Statements, adjusted for the 1 for 3 reverse stock split of Arconic’s outstanding and authorized shares of Common Stock in October 2016, is allocated among the plans as shown:

| <u>Plan Name</u> | <u>Shares</u> |
|---|---------------|
| Bargaining Savings Plan | 16,705,000 |
| Salaried Savings Plan | 31,225,893 |
| Hourly Non-Bargaining Savings Plan | 5,459,307 |
| Fastener Systems and Rings Savings Plan | 2,652,640 |
| ATEP Plan | 125,000 |

PART II

INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. Incorporation of Documents by Reference.

The Securities and Exchange Commission (“SEC”) allows Arconic to “incorporate by reference” in the Registration Statements the information in the documents that it files with the SEC, which means that Arconic can disclose important information to you by referring you to those documents. The information incorporated by reference in the Registration Statements is considered to be a part of the Registration Statements, and information in documents that Arconic files later with the SEC will automatically update and supersede information contained in documents filed earlier with the SEC or contained in the Registration Statements. Arconic incorporates by reference in the Registration Statements the documents listed below and any future filings that it may make with the SEC under Sections 13(a), 13(c), 14 or 15(d) of the Securities Exchange Act of 1934 (the “Exchange Act”) after the date of this Amendment and prior to the filing of a post-effective amendment to the Registration Statements which indicates that all securities offered thereby have been sold or which deregisters all securities then remaining unsold, except that Arconic is not incorporating by reference any information that is deemed to have been furnished and not filed in accordance with SEC rules.

- Arconic’s Annual Report on Form 10-K for the fiscal year ended December 31, 2015 (the “Annual Report”);
- Arconic’s Quarterly Reports on Form 10-Q filed since the end of the fiscal year covered by the Annual Report;
- Arconic’s Current Reports on Form 8-K filed since the end of the fiscal year covered by the Annual Report; and
- The description of Common Stock contained in Arconic’s Registration Statement on Form S-3A (File No. 333-201055), filed January 14, 2015.

Arconic will furnish without charge to you, upon written or oral request, a copy of any or all of the documents described above, except for exhibits to those documents, unless the exhibits are specifically incorporated by reference into those documents. Requests for copies should be addressed to:

Item 4. Description of Securities.

Not Applicable.

Item 5. Interests of Named Experts and Counsel.

The validity of the Common Stock to be issued in connection with the plans covered by the Registration Statements will be passed upon by Thomas F. Seligson, Esq., Counsel of Arconic. Mr. Seligson is paid a salary by Arconic, is a participant in various benefit plans offered by Arconic to employees of Arconic generally and beneficially owns, or has rights to acquire, an aggregate of less than 1% of Arconic's outstanding Common Stock.

Item 6. Indemnification of Directors and Officers.

Arconic has purchased a directors and officers liability insurance policy with an aggregate limit of \$500 million for liability of directors and officers. The insurance also includes within that limit \$200 million of coverage, subject to a deductible, for reimbursement to Arconic for indemnification provided to directors and officers. The policy has an expiration date of November 1, 2017 and provides liability insurance and reimbursement coverage for Arconic, and its directors and officers that is permitted by the laws of Pennsylvania.

Article V of the By-Laws of Arconic provides that Arconic shall indemnify, under specified circumstances, where not prohibited by law, persons who were or are directors, officers or employees of Arconic or who served or serve other business entities at the request of Arconic. Under these By-Law provisions, a person who is wholly successful in defending a claim will be indemnified for any reasonable expenses. To the extent a person is not successful in defending a claim, reasonable expenses of the defense and any liability incurred are to be indemnified under these provisions only where independent legal counsel or another disinterested person selected by the board of directors determines that such person acted in good faith and in a manner such person reasonably believed to be in, or not opposed to, the best interests of Arconic, and in addition with respect to any criminal action or proceeding, had no reasonable cause to believe the conduct of such person was unlawful. Any expense incurred with respect to any claim may be advanced by Arconic if the recipient agrees to repay such amount if it is ultimately determined that such recipient is not to be indemnified pursuant to Article V.

The foregoing By-Law provisions generally parallel Sections 1741 and 1745 of the Pennsylvania Business Corporation Law ("PBCL"). Section 1746 and the By-Laws both also provide that the indemnification provided for therein shall not be deemed exclusive of any other rights to which those seeking indemnification may otherwise be entitled.

Section 1746 of the PBCL and the By-Laws provide for increased indemnification protections for directors, officers and others. Indemnification may be provided by Pennsylvania corporations in any case except where the act or failure to act giving rise to the claim for indemnification is determined by a court to have constituted willful misconduct or recklessness.

Section 1713 of the PBCL also sets forth a framework whereby Pennsylvania corporations, with the approval of the shareholders, may limit the personal liability of directors for monetary damages except where the act or omission giving rise to a claim constitutes self-dealing, willful misconduct or recklessness. The section does not apply to a director's responsibility or liability under a criminal or tax statute and may not apply to liability under Federal statutes, such as the Federal securities laws.

Arconic's Articles of Incorporation and By-Laws were amended by the shareholders to implement the increased protections made available to directors under the PBCL as described in the preceding paragraph. Article VIII of the By-Laws provides that, except as prohibited by law, every director of Arconic shall be entitled as of right to be indemnified by Arconic for expenses and any and all liability paid or incurred by such person by reason of such person being or having been a director of Arconic. Expenses incurred with respect to any claim may be advanced by Arconic, subject to certain exceptions. The shareholders have also approved a form of indemnity agreement. Arconic has entered into such an indemnity agreement with each of its current directors and officers.

Item 7. Exemption from Registration Claimed.

Not Applicable.

**ARCONIC RETIREMENT SAVINGS PLAN FOR ATEP BARGAINING EMPLOYEES
EFFECTIVE JANUARY 1, 2017**

HISTORY AND PURPOSE

The Arconic Retirement Savings Plan for ATEP Bargaining Employees (the "Plan") is maintained pursuant to various collective bargaining agreements entered into between RTI International Metals, Inc. (herein called "RTI") or its subsidiaries or affiliates and the duly authorized bargaining representative for certain bargaining employees to provide said employees with any or all of the benefits described herein. This Plan is a defined contribution, individual account plan which incorporates an Internal Revenue Code Section 401(k) wage reduction arrangement, intending to qualify under Section 401(a) of the Internal Revenue Code, for the exclusive benefit of its eligible employees. This Plan was formed effective January 1, 2017, when actively employed participants in the RTI Bargaining Unit Employee Savings and Investment Plan ("Legacy RTI Plan") had their accounts transferred to this Plan.

RTI is a subsidiary of Arconic Inc., formerly known as Alcoa Inc. Effective November 1, 2016, Alcoa Inc. separated into two separate publicly traded companies. Alcoa Inc. was renamed Arconic Inc. and began trading under the ticker symbol ARNC. Alcoa Corporation was spun off from Arconic Inc. and began trading under the ticker symbol AA. This corporate action resulted in two separate stock funds under the Legacy RTI Plan: the Arconic Stock Fund (which is an ESOP invested primarily in employer securities) and the Alcoa Corporation Stock Fund (a non-employer stock fund). Investments in these two funds were transferred directly to the Arconic Stock Fund and Alcoa Corporation Stock Fund under this Plan. The Arconic Stock Fund is an employee stock ownership plan, within the meaning of Section 4975(e) of the Code. The assets held in the ESOP must be invested primarily in employer securities as defined in Code Section 409(l).

This Plan is intended to be construed in accordance with any applicable regulatory guidance issued with respect to any applicable laws and regulations.

(ii) The Participant has obtained all distributions, other than hardship withdrawals, and all nontaxable loans currently available under all plans maintained by the Participating Employer (unless such a loan would contribute to the hardship),

(iii) The Plan, and all other qualified and non-qualified plans of deferred compensation maintained by all Participating Employers (other than health and welfare or contributory defined benefit plans), provide that the Participant's Savings will be suspended for at least 6 months after receipt of the hardship withdrawal, and

(iv) The Participant may not contribute Pre-Tax Savings to the Plan or make similar contributions to other plans maintained by the Participating Employer for the following taxable year in excess of the applicable limit under Section 402(g) of the Code for the following taxable year minus the Participant's Pre-Tax Savings for the taxable year of the hardship withdrawal.

An Eligible Employee participates in the Plan:

(a) by submitting an application or request for participation that is Properly Received, or by receiving Discretionary Contributions or Participating Employer Contributions; or

(b) by being Automatically Enrolled sixty (60) days following Employment Commencement Date or Reemployment Commencement Date, or after an employee employed on a temporary basis becomes an Eligible Employee.

SECTION 2. EMPLOYEE SAVINGS

(a) An Eligible Employee may elect to pay into the Plan through Payroll Deductions properly authorized by such employee, a whole percentage of his or her Eligible Compensation in Pre-Tax Savings in an amount equal to one through twenty-five percent (25%), and After-Tax Savings equal to one through ten percent (10%), the aggregate of which cannot be greater than twenty-five percent (25%).

(b) An Eligible Employee subject to Automatic Enrollment will be subject to automatic Payroll Deductions equal to three percent of Eligible Compensation for any applicable payroll period, which will be contributed to the Plan as Pre-Tax Savings. Absent the Participant's election of investment funds, such Pre-Tax Savings will be deposited into the appropriate QDIA, as described in Section 7(a).

(c) Payroll Deductions for Pre-Tax Savings made pursuant to Automatic Enrollment are subject to Automatic Pre-Tax Rate Escalation whereby, providing the Participant has participated in the Plan at least ninety days, the Participant's Pre-Tax Savings rate will be increased by one percent on each April 1 after his or her Participation Date until the Pre-Tax Savings rate attains a target rate of six percent of Eligible Compensation. A Participant may change the percentage rate in whole percentages up to the maximum permitted by the Plan or opt out of Automatic Pre-Tax Rate Escalation at any time in a manner designated by the Plan Administrator that is Properly Received.

Any Participant may elect to begin or end Automatic Pre-Tax Savings Rate Escalation at any time in a manner designated by the Plan that is Properly Received. An election to begin Automatic Pre-Tax Saving Rate Escalation shall designate a beginning Pre-Tax Savings rate, a target rate up to the maximum permitted by the Plan, and an annual rate (in whole percentages) by which the Pre-Tax rate increases until the target rate is attained.

(d) Any employee contributions which have been contributed to a Participant's account under a qualified defined contribution plan of a Participating Employer which has been merged with this Plan, are credited to the Participant as Pre-Tax and After-Tax Savings Accounts, as applicable, as determined by the Plan Administrator, and thereafter be treated like Pre-Tax and After-Tax Savings with respect to withdrawals, loans, and investment options under the Plan. Any protected optional form of benefits provided under said qualified defined contribution plan will be maintained under the Plan.

(f) To the extent vested, all Participating Employer Contributions and Discretionary Contributions are irrevocable, except that any such contribution which was made by a mistake of fact or conditioned upon qualification of the Plan or any amendment thereof under Section 401 of the Code or upon the deductibility of the contribution under Section 404 of the Code, will be returned to the Participating Employer within one year after the payment of the contribution made by mistake, the denial of the qualification or the disallowance of the deduction (to the extent disallowed), whichever is applicable.

(g) A Participant may change his or her election for Payroll Deductions, effective for the first full Payroll Period following the date that such request is Properly Received.

(h) A Participant may direct that Payroll Deductions for Savings be discontinued beginning with the first full Payroll Period following the date that such direction is Properly Received. A Participant may direct that such deductions be resumed beginning with the first full Payroll Period following the date that such direction is Properly Received, except as provided in the definition of Financial Hardship.

(i) Payroll Deductions are paid to the Trustee as soon as practicable, but no later than the period prescribed by the Department of Labor for depositing contributions.

(j) Additional limitations on Savings, Participating Employer Contributions and Discretionary Contributions are provided in Appendices A, B and C. Notwithstanding the foregoing, in the event it is determined by the Benefits Management Committee or its Designee that for any particular month the maximum percentage of Eligible Compensation which a Participant may elect to pay into the Plan as Pre-Tax Savings must be reduced so as to prevent the actual percentage of Pre-Tax Savings for Participants who are Highly Compensated Employees from exceeding the elected percentage of Pre-Tax Savings of all other Participants, pursuant to the limitations in the Appendices, the maximum percentage of Pre-Tax Savings for said Highly Compensated Employees may be reduced, for any particular Month to the extent deemed necessary by the Benefits Management Committee or its designee. The said Participants' previously elected percentage of After-Tax Savings will not be affected in any manner by a reduction of the maximum percentage of Pre-Tax Savings in accordance with the foregoing.

(k) An Eligible Employee who meets the requirements listed below may make an election for a Plan Year to defer extra Pre-Tax Catch-Up Contributions in an amount that equals

an annual maximum amount of six thousand dollars \$6,000), or such other amount adjusted for cost-of-living increases as may be provided by the Secretary of the Treasury pursuant to Section 414(v) (2) (C) of the Code. Eligible Employees who meet the requirements are individuals who i) have attained 50 or will attain age 50 during the applicable Plan Year, ii) are contributing no less than six percent (6%) of Eligible Compensation in Pre-Tax Savings; and iii) have submitted an election to make Pre-Tax Catch-Up Contributions for applicable Plan Year.

In the case where a Participant is awarded back wages pursuant to a settlement or arbitration agreement by which the Participant is to be “made whole,” in the case of an individual who is eligible to make Pre-Tax Catch-Up Contributions, the Participant may defer any portion of the awarded back wages up to the annual maximum amount of the Pre-Tax Catch-Up Contribution for the current Plan Year, provided an election to defer such amount is submitted prior to the date payment of the awarded back wages is made.

(l) In the case where a Participant is awarded back wages pursuant to a settlement or arbitration agreement by which the Participant is to be “made whole” with respect to such award, the Participant must contribute Pre-Tax Savings attributable to the back wages or portion of back wages awarded pertaining to the current Plan Year only (“Corrective Contributions”). The Corrective Contributions will be based on the percentage of Compensation for Pre-Tax Savings designated by the Participant in an election in effect, or defaulted to pursuant to section 2(b) and 2(c), on the date of the Participant’s termination that preceded the period for which the award has been granted. Notwithstanding the foregoing, contributions of Corrective Contributions may not cause the Participant’s Eligible Compensation to exceed the limitation on compensation imposed by Section 401(a)(17) of the Code, or the limitations described in Appendices A or B.

(m) A Participant who’s compensation is suspended due to an absence from employment due to military leave protected by Uniformed Services Employment and Reemployment Rights Act of 1994 (“USERRA”), may upon his or her return to employment contribute “make up” Pre-Tax Contributions equal to the amount he or she would have contributed except for the absence based upon the Participant’s election on file. Such make up contributions must be paid to the Plan during a period that does not exceed the lesser of three (3) times the length of time of the military leave or five (5) years, commencing from the date employment is resumed.

SECTION 3. PARTICIPATING EMPLOYER CONTRIBUTIONS (MATCH)

(a) Participating Employer Contributions will be allocated under the Plan to the account of those Participants for whom Pre-Tax Savings are paid into the Plan for such Payroll Period in accordance with Section 2, where the applicable Bargaining Agreement provides. The contributions will be the specific amount for each dollar of the Participant’s Eligible Compensation he or she contributes to the Plan as Pre-Tax Savings up to six percent of the Participant’s Eligible Compensation. Schedule B-1 provides a list of Participating Employers and Participating Employer Contributions. Participating Employer Contributions will be allocated to the account of Participants to whom Corrective Contributions have been made for the current Plan Year as described in Section 2(l) above.

(b) The amount of all such Contributions are contributed on a Payroll Period basis by the Participating Employer out of current income or accumulated earnings. All Participating Employer Contributions will be invested in the same Core Funds elected by the Participant for his or her current Savings (or if none, then in the QDIA).

(c) All employer contributions which have been contributed to a Participant's account under a qualified defined contribution plan of a Participating Employer which has been merged with this Plan, are credited to the Participant as Participating Employer Contributions and thereafter are treated like Participating Employer Contributions with respect to withdrawals, loans, and investment options under the Plan. Any protected optional form of benefits provided under said merged qualified defined contribution plan will be maintained under the Plan.

SECTION 4. DISCRETIONARY CONTRIBUTIONS

(a) A Participating Employer may contribute under the Plan to the account of those Eligible Employees a Discretionary Contribution in an amount determined in accordance with an applicable Bargaining Agreement and as set forth in **Schedule B-2**. Discretionary Contributions will be allocated to Eligible Employees based on either uniform dollar amounts or whole or partial percentages of Eligible Compensation. The Discretionary Contribution will be paid to the Trustee no later than the date fixed by law for the filing of the Participating Employer's federal income tax return for the year for which the contribution is made, including any extensions of time granted by the Internal Revenue Service for filing the return. The Participating Employer may direct, but is not obligated to direct, the Trustee to promptly invest such amount in the Arconic Stock Fund; otherwise, Discretionary Contributions will be invested in accordance with the provisions of Section 7(b).

(b) An Eligible Employee who incurs an absence due to military leave protected by USERRA and eligible to receive Discretionary Contributions will receive those contributions based on the Eligible Compensation or applicable hours that would have been received had the individual remained actively employed during the period of military leave.

SECTION 5. VESTING OF PARTICIPATING EMPLOYER CONTRIBUTIONS AND DISCRETIONARY CONTRIBUTIONS

Prior to a Participant's accrual of three (3) Years of Continuous Service, Participating Employer Contributions and Discretionary Contributions shall become vested in accordance with the following schedule:

| <u>Years of Continuous Service</u> | <u>Percent Vested</u> |
|------------------------------------|-----------------------|
| 1 | 33% |
| 2 | 67% |
| 3 | 100% |

Participating Employer Contributions and Discretionary Contributions that are not vested are subject to forfeiture when the Participant incurs a Severance from Service Date. Any and all such forfeitures may be used to offset future Plan administrative expenses or future Participating Employer Contributions and Discretionary Contributions, in the discretion of the Committee. Notwithstanding the foregoing, if a Participant who has less than three (3) Years of Continuous Service and either of the following circumstances occurs, the Participant's entire account balance will become 100% vested:

- (A) the Participant dies;
- (B) The Participant reaches Normal Retirement Age; or
- (C) the Participant becomes "Disabled." For purposes of this Section 5, a Participant is Disabled if the Participant satisfies either of the following criteria:

SECTION 6. ROLLOVER CONTRIBUTIONS

An Eligible Employee of a Participating Employer who is or may become a Participant may, unless disapproved under objective procedures established by the Benefits Management Committee, make a Rollover Contribution to the Plan. An Eligible Employee's Rollover Contribution is credited to his or her account and thereafter treated like the Participant's Pre-Tax Savings with respect to withdrawals, loans and investment options under the Plan. The Plan does not accept Roth rollovers.

SECTION 7. INVESTMENTS

(a) Savings. Pre-Tax Savings (including Rollover Contributions), and After-Tax Savings will be invested, at the election of the Participant, in any of the Core Funds in one percent increments. Pre-Tax Savings of any Participant who is Automatically Enrolled made to the account of a Participant who has not made an investment election will be contributed to the appropriate QDIA fund, based on the Participant's date of birth.

A Participant may change his or her current investment election or transfer assets deposited by the Plan into a QDIA fund any day of the Plan Year, to be effective for the next following Payroll Period, within the limitations otherwise provided in this Plan, by directing the Plan Administrator or its Designee to make such change which direction is Properly Received.

(b) Participating Employer Contributions and Discretionary Contributions. All Participating Employer Contributions will be invested in the same Core Funds elected by the Participant for his or her current Savings (or if none, then in the QDIA). Discretionary Contributions may be invested in the Arconic Stock Fund if directed by the Participating Employer, subject to Section 8, or otherwise invested in the same Core Funds elected by the Participant for his or her current Savings (or if none, then in the QDIA).

(c) Brokerage Account. A portion of Pre-Tax or After Tax Savings, Participating Employer Contributions, or Discretionary Contributions subject to transfer as provided in Section 8, or any other amounts invested in the Core Funds may be transferred in amounts of one thousand dollars (\$1,000) or more and reallocated to a Brokerage Account, a self-directed brokerage account that allows a Participant to select and personally manage investment options not otherwise available under the Plan, in accordance with the provisions of Section 15. Any amounts to be withdrawn, loaned or distributed from a Brokerage Account must be first transferred back to the Core Funds, as described in Section 15(h).

(d) Automatic Rebalancing of Investments. A Participant may elect to have his or her account balance automatically rebalanced, or readjusted, at ninety-day intervals, to equal the percentage(s) directed by the Participant for investing such account balance in any Core Fund(s). The Participant may cancel Automatic Rebalancing at any time in a manner designated by the Plan Administrator that is Properly Received.

SECTION 8. TRANSFERS BETWEEN INVESTMENTS

(a) Transfer of Savings, Participating Employer, and Discretionary Contributions. A Participant may elect to transfer in whole percentage increments all or part of the Current Market Value of his or her Pre-Tax Savings, After Tax Savings, Participating Employer Contributions or Discretionary Contributions subject to the following:

- (1) Transfers from any one or more Core Funds to the Brokerage Account may be made in amounts of one thousand dollars (\$1,000) or more;
- (2) Transfers may be made on a daily basis;

(3) Investment Fund transfers do not constitute a change in the Participant's current investment election; and

(4) Transfer provisions may be subject to restrictions imposed by mutual fund companies underlying the Core Funds.

(b) Effective Date of Transfer. The effective date of any transfer will be the date for which the appropriate direction to the Plan Administrator or its Designee has been Properly Received.

(c) Value of Transfer. The Current Market Value of Savings, Participating Employer Contributions, and Discretionary Contributions to be transferred into or out of an Investment Fund are determined in accordance with the value of the Investment Fund at the close of business of the Business Day on the Effective Date.

SECTION 9. WITHDRAWALS DURING EMPLOYMENT

Withdrawals are not permitted prior to the termination of the Participant's Continuous Service, except for the following:

A Participant may withdraw the Current Market Value of After-Tax Savings at any time (subject to a \$250.00 minimum). No portion of a Legacy RTI Money Purchase Plan Balance (defined in **Schedule C**) shall be available for withdrawals during employment under any circumstances.

SECTION 10. DISTRIBUTIONS UPON TERMINATION OF EMPLOYMENT

(a) A Participant whose Continuous Service terminates is eligible to receive as a distribution the Current Market Value of all Savings, vested Participating Employer Contributions, and vested Discretionary Contributions made to the Participant's accounts. In the event a Participant who has terminated employment received a total distribution of the Current Market Value of his or her account under the Plan has a Reemployment Commencement Date, he or she will not be permitted to repay the distributed amount other than as a Rollover Contribution from an eligible retirement plan described in Sections 402(c) (4) and 401(a) (31) of the Code, as provided in Section 6.

(b) Direct Rollovers.

(i) Notwithstanding any provision of the Plan to the contrary that would otherwise limit a distributee's election under this subsection, a distributee may elect, at the time and in the manner prescribed by the Plan Administrator, and to have any portion of an eligible rollover distribution paid directly to an eligible retirement plan specified by the distributee in a direct rollover.

(ii) Definitions:

(1) Eligible rollover distribution: An eligible rollover distribution means any distribution to an employee of all or any portion of the balance to the credit of the employee in the Plan, and as otherwise described in this subsection (1). An eligible rollover distribution does not include any distribution that is one of a series of substantially equal periodic payments (not less frequently than annually) made for the life (or life expectancy) of the distributee or the joint lives (or joint life expectancies) of the distributee's designated beneficiary, or for a specified period of ten years or more; any distribution to the extent such distribution is required under Section 401(a)(9) of the Code; and any amount distributed on account of hardship.

(2) Eligible retirement plan: An eligible retirement plan is an individual retirement account or individual retirement annuity described in Sections 408(a) and 408(b) of the Code, a qualified trust described in Section 401(a) of the Code that accepts the distributee's eligible rollover distribution, an annuity plan or contract described in Sections 403(a) and 403(b) of the Code, or an eligible plan under Section 457(b) of the Code that is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state that agrees to separately account for amounts transferred into such plan from this Plan. The definition of eligible retirement plan will also apply in the case of a distribution to a surviving spouse of a Participant, or spouse or former spouse who is the alternate payee under a qualified domestic relations order as defined in Section 414(p) of the Code. With respect to an eligible rollover distribution to a Participant's nonspouse Beneficiary, an eligible retirement plan is an individual retirement account or annuity described in Sections 408(a) and 408(b) of the Code established for the purpose of receiving such distribution, and identifying the deceased Participant and Beneficiary.

(3) Distributee: A distributee includes an employee or former employee. In addition, the employee's or former employee's surviving spouse and the employee's or former employee's spouse or former spouse who is an alternate payee under a qualified domestic relations order, as defined in Section 414(p) of the Code, are distributees with regard to the interest of the spouse or former spouse. A distributee includes the employee's or former employee's nonspouse Beneficiary.

(4) Direct Rollover: A direct rollover is a payment by the Plan to the eligible retirement plan specified by the distributee.

SECTION 11. PAYMENT OF DISTRIBUTIONS UPON TERMINATION OF EMPLOYMENT

(a) Subject to the following provisions of this Section, payment to a Participant or Beneficiary of the Current Market Value of all Savings, vested Participating Employer Contributions and vested Discretionary Contributions in the Participant's account from any Investment Fund, other than the Arconic Stock Fund or Alcoa Corporation Stock Fund, upon the Participant's termination of Continuous Service is made in cash. All amounts held in the Arconic Stock Fund or Alcoa Corporation Stock Fund at the time of the Participant's termination of Continuous Service are paid in cash or Company Stock. Such payment will be made in accordance with the following rules:

(i) If the Current Market Value of all of the Participant's vested account balances (not including Rollover Contributions) in all qualified defined contribution plans of Arconic, the Subsidiaries and Affiliates is less than one thousand dollars (\$1,000), then a total distribution of all of the Participant's vested account balances will be made to the Participant at a time determined by the Plan. The value of any delisted stock that is no longer publicly traded but that is held in the Participant's Brokerage Account shall not be considered for purposes of the preceding valuation. Any such delisted stock shall be distributed in-kind where the value of the Participant's vested account balances (not including Rollover Contributions) in all qualified defined contribution plans of Arconic, the Subsidiaries and Affiliates is less than one thousand dollars (\$1,000), in a direct rollover to an individual retirement account designated by the Benefits Management Committee. Upon such distribution of de-listed stock, the amounts distributed will be reported for income tax purposes using reasonable methods available at such time and determined by the Plan.

(ii) If the Current Market Value of all of the Participant's vested account balances in all defined contribution plans of Arconic, its Subsidiaries and Affiliates exceeds one thousand dollars (\$1,000), the distribution is made upon the consent of the Participant, or surviving spouse if applicable, and if no consent is given and no claim for benefits has been made, such distribution is made in total upon his or her attainment of age 69. Prior to the distribution of the total Current Market Value of the Participant's total account balance, the Participant, or the Beneficiary in the case of a Participant who dies with an account balance in the Plan, may request four partial distributions (subject to a \$250.00 minimum) during each Plan Year in which the account balance is maintained in the Plan. Notwithstanding the foregoing, in the event that a claim for benefits is made, a distribution is made no later than the 60th day after the latest of the last day of the Plan Year in which occurs: (1) the date on which the Participant attains age 65, (2) occurs the tenth anniversary of the year in which the Participant commenced participation in the Plan, or (3) the Participant terminates his or her service with the Participating Employer.

(iii) If a distribution is one to which Sections 401(a)(11) and 417 of the Code do not apply, such distribution may commence less than 30 days after the notice required under Section 1.411(a)-11(c) of the Income Tax Regulations is given, provided that:

a. the Plan Administrator clearly informs the Participant that the Participant has a right to a period of at least 30 days after receiving the notice to consider the decision of whether or not to elect a distribution (and, if applicable a particular distribution option), and

b. the Participant, after receiving the notice, affirmatively elects a distribution.

(iv) If the Participant dies with an account balance in the Plan, the entire interest of the Participant will be distributed not later than 5 years after the death of the Participant.

(b) Upon any distribution of Company Stock from the Arconic Stock Fund or Alcoa Corporation Stock Fund, the Trustee delivers to the recipient a certificate representing the number of whole shares of Company Stock being distributed and cash equal to the Current Market Value on the Effective Date of distribution of any fractional interest in a share being distributed. With respect to any shares of Company Stock which are to be sold for the account of the recipient, the Trustee may, at its option (1) purchase such shares for Plan purposes at the Current Market Value on the Effective Date of distribution, or (2) sell such shares on the open market for the account of the recipient.

(c) Notwithstanding the foregoing provisions of this Section, distribution of a Participant's account balance (in accordance with Section 12(b)) commences the April 1 of the calendar year next following the later of i) the calendar year in which the Participant attains age 70-1/2 years or ii) the calendar year in which the Participant incurs a Severance from Service Date.

(d) Notwithstanding the foregoing, if a Participant is reemployed by a Participating Employer, then distribution of his or her account balances other than minimum required distributions under Section 401(a)(9) of the Code, if any, payable to him or her during the period of his or her reemployment is suspended until his or her subsequent termination from employment. Upon his or her subsequent termination from employment, the Participant's account balances are paid in accordance with the foregoing provisions of this Section 12.

(e) Notwithstanding paragraphs (a) and (b) above, in the event that any qualified defined contribution plan is merged with this Plan or this Plan is the surviving plan with respect to any assets of Participants of a merging plan which are transferred to this Plan, any distribution

options contained in the merging plan which are not contained in this Plan may be continued to be distribution options available to the said Participant of the merging plan for distribution of his or her account, in accordance with Section 411(d)(6) of the Code.

SECTION 12. GENERAL PROVISIONS WITH RESPECT TO WITHDRAWALS

(a) Effective Date of Withdrawal. The Effective Date of any withdrawal from the Plan is the Business Day such request for withdrawal is Properly Received by the Plan Administrator or its Designee.

(b) Distribution Limitations. Distribution of all amounts payable under the Plan to a Participant commences:

(i) Not later than (1) the required distribution dates or (2) the required distribution date, without violating Treasury regulations, if any, over the life of the Participant or over the lives of the Participant and a Beneficiary, or over a period not extending beyond the life expectancy of the Participant and a Beneficiary.

(ii) If distribution of the Participant's interest in the Plan has begun in accordance with paragraph (i) (2) and the Participant dies before his or her entire interest is distributed, the Participant's remaining interest in the Plan will be distributed at least as rapidly as under the method of distribution stated under paragraph (i)(2) above being used on the date of the Participant's death. If the Participant dies before the distribution of his or her interest in the Plan has begun in accordance with paragraph (i)(2), the entire interest of the Participant will be distributed not later than five years after the death of the Participant.

For purposes of this paragraph (b), the "required distribution date" means the date prescribed by Treasury Regulations, as amended from time to time, which is April 1 of the calendar year following the later of i) the calendar year in which the Participant attains age 70-1/2 or ii) the calendar year in which the Participant incurs a Severance from Service Date.

For the purposes of this paragraph (b), any amount paid to a minor child is treated as if it had been paid to the surviving spouse if such amount will become payable to the surviving spouse upon such child reaching majority or any other designated event as may be permitted by Treasury Regulations, if any.

(c) Appendix D, Minimum Distribution Requirements, provides Plan provisions to comply with Section 401(a)(9) of the Code and Treasury Regulations §1.401(a)(9)-2 through -9, as applicable, relating to required minimum distributions.

SECTION 13. NONASSIGNABILITY

Except as required under ERISA, no right or interest of any Participant or Beneficiary in the Plan or in such Participant's accounts is (a) assignable or transferable or subject to any lien in

whole or in part, either directly or by operation of law or otherwise, including, but not by way of limitation, alienation, execution, levy, garnishment, attachment, pledge, bankruptcy or in any other manner other than a transfer as a result of death or mental incompetence, or (b) liable for, or subject to, any obligation or liability of such Participant or Beneficiary. Such portions of the Savings, and Participating Employer Contributions in the account of a Participant as are payable to another in accordance with the provisions of a "qualified domestic relations order," as defined in Section 414(p) of the Code and any applicable regulations thereunder, are distributed to the party designated in and in accordance with said order. The Effective Date of withdrawal for any such distribution is the first Business Day following the Plan Administrator's determination that the said order is in compliance with Section 414(p) of the Code and any applicable regulations thereunder, and such distribution is made as soon as administratively practical thereafter. The Plan Administrator or Designee has promulgated procedures to determine whether a domestic relations order is a qualified domestic relations order. The procedures will be provided to a participant or alternate payee upon written request, or upon receipt of the domestic relations order by the Plan Administrator or Designee.

SECTION 14. EXTENT OF PARTICIPANT'S RIGHTS

(a) General. No person has any interest in or right to any part of the assets held under the Plan or the income thereon, except as and to the extent expressly provided in the Plan.

At the time of withdrawal by a Participant or Beneficiary, he or she will receive shares or cash. There is no guarantee that the Current Market Value of any investment will be equal to or greater than the amount of the Participant's Savings therein. This Plan is designed to comply with and operate under Section 404(c) of ERISA. A Participant and his or her Beneficiaries assume all risk in connection with any decrease in the value of any investments allocated to such Participant's account. For purposes of Section 404(c)(1) of ERISA, in the absence of Participant or Beneficiary investment direction, a Participant or Beneficiary shall be treated as having exercised control over the assets invested in any investment which qualifies as a QDIA in accordance with Section 404(c)(5) of ERISA and the regulations promulgated thereunder.

The Plan does not and should not be construed as conferring any rights upon any person for a continuation of employment, nor does it interfere with the rights of Arconic or any Subsidiary or Affiliate to terminate the employment of any person or to take any personnel action affecting such person without regard to the effect which such action might have upon such person or his or her Beneficiaries as a prospective recipient of benefits under the Plan.

(b) Military Service. Notwithstanding any provision of this Plan to the contrary, contributions, benefits and service credit with respect to qualified military service will be provided in accordance with Section 414(u) of the Internal Revenue Code.

SECTION 15. MANAGEMENT OF FUNDS

(a) **General.** Savings, Participating Employer Contributions and Discretionary Contributions paid to the Trustee are invested as provided in the Plan.

(b) **Trustees and Investment Managers.** The Board or its designee has the responsibility to appoint, review the performance of, and remove where deemed appropriate, one or more Trustees, and one or more investment managers, each of which is a bank, insurance company or other investment adviser qualified under Section 3(38) of ERISA. The duties of each Trustee and manager, to the extent not set forth in the Plan, are set forth in a trust agreement or other written documents approved by the Board or its designee. Except as otherwise provided in such documents or in the Plan, each such investment manager has sole investment control and management responsibility with respect to those assets of the Plan for which it is designated the investment manager. The Board may delegate its authority to appoint an investment manager, to remove an investment manager, to approve and direct the execution by the proper officer or officers of Arconic or RTI of amendments to agreements with any investment manager, and to review the performance of any such managers. Such delegation also includes the authority to approve written documents setting forth the duties of any manager and to direct the execution of investment management agreements by the proper officer or officers of Arconic or RTI. No Trustee has any investment responsibility for any assets which are subject to the investment control of another investment manager, and as to such assets it only has custodial duties if it is the custodian.

(c) **Designation of Investment Strategy.** The Board may from time to time designate, as to part or all of the assets of the Plan, that a separate fund or funds be established. Except as otherwise provided in the Plan, as to each such separate fund the Board or its designee may specify the investment strategy to be employed and the investment manager is thereupon relieved of responsibility for assuring that the specified investment strategy creates suitable diversification of the overall assets of the Plan, provided that such investment manager has followed such specifications.

(d) **(1)Acquisition of Fixed Income Investments by the Trustee.** The Trustee will enter into investment arrangements with insurance companies, banks or money managers, as directed by an investment manager duly appointed by the Board or its designee for the Fixed Income Fund. The Trustee will invest all Savings and other amounts to be invested in the Fixed Income Fund in accordance with such directions.

(2)Accounting for Participant's Accounts. Participants' investments in the Fixed Income Fund are accounted for on a unit basis. The Trustee allocates to the accounts of each Participant such units in the Fixed Income Fund as may be acquired with funds (if any) in such Participant's accounts to be invested therein. Such allocations will be made in a uniform manner as determined by the Benefits Management Committee. Transfers and withdrawals are valued based on the Current Market Value per unit on the Effective Date of the transfer or withdrawal.

(e) (1) Acquisition of Company Stock by Trustee. The Savings, Participating Employer Contributions, and Discretionary Contributions to be invested in the Arconic Stock Fund are used by the Trustee to purchase from time to time shares of Company Stock (i) from Arconic, at the Current Market Value thereof, or (ii) to the extent Arconic does make shares available for purchase by the Trustee for such purpose, on the open market unless Arconic otherwise directs, or (iii) by the exercise of warrants or rights as provided in this Section. The Trustee, to the extent reasonable, invests any cash held in the fund in cash equivalents (including commercial paper). The Trustee also holds for the purpose of allocation to the accounts of individual Participants as hereinafter provided (i) shares of such stock which the Trustee has acquired upon withdrawal by a Participant, and (ii) shares of such stock which the Trustee has acquired pursuant to Participants' elections to transfer investments under the provisions of Section 8. All shares of such stock purchased by the Trustee are carried in the accounts of the Trustee at the actual cost thereof, including any taxes, commissions, etc. which are not paid by the Participating Employer, incident to the purchase except that shares acquired upon the exercise of warrants or rights are carried at the Current Market Value of such shares on the date of such exercise.

(2) Allocation of Stock to Participants' Accounts. Participants' investments in the Arconic Stock Fund are accounted for on a unit basis. The Trustee allocates to the accounts of each Participant such units in the Arconic Stock Fund as may be acquired with funds (if any) in such Participants' accounts to be invested therein. Such allocations are made in a uniform manner as determined by the Benefits Management Committee. Transfers and withdrawals are valued based on the Current Market Value per unit on the Effective Date of the transfer or withdrawal.

(3) Allocation of Dividends to Participants' Accounts. In valuing the units, dividends are accounted for on the date the Board declares the dividend. Once received, dividends are invested in the Arconic Stock Fund. A Participant may elect to receive an annual distribution of the dividends posted to their account during the Plan Year. Such election must be made prior to the last dividend record date in the Plan Year, and distribution will be made as soon as administratively practical following the date the final dividends are posted to the Participant's account. Distribution will be paid in a lump sum from the Arconic Stock Fund. To the extent the Participant's account balance in the Arconic Stock Fund is insufficient to pay the dividends, the balance of the distribution will be paid pro-rata from the Participant's other Core Fund investments.

(4) Warrants & Purchase Rights. A Participant has no right of request, direction or demand upon the Trustee to exercise in his or her behalf warrants or rights to purchase shares of common stock or other securities of Arconic, except as otherwise determined by the Board. The Trustee, in its discretion, may exercise or sell any warrants or rights to purchase shares of Company Stock appertaining to shares of such stock held by the Trustee, and may sell any warrants or rights to purchase other securities of Arconic appertaining to shares of such stock held by the Trustee.

(5) Stock Splits & Dividends. Shares of Company Stock received by the Trustee by reason of a stock split or stock dividend become part of the Arconic Stock Fund.

(6) Voting. The Trustee exercises its voting rights in accordance with written directions of each Participant with respect to at least the number of whole shares of Company Stock held by it in the Participants' accounts on the record date for voting. With respect to all other shares of Company Stock held by the Trustee on the record date for voting (the "Other Shares"), including but not limited to, (i) fractional shares in the Participants' accounts (if they are not subject to direct voting), (ii) shares for which it has not received written directions from any Participant, and (iii) any shares which have not yet been allocated to Participants' accounts, the Trustee exercises its voting rights in the same proportion (for, against, abstain and so on) on each matter as it exercises its voting rights with respect to shares of Company Stock for which voting directions were received from all participants in all plans which participate in the Arconic Stock Fund.

(7) Separation of Alcoa Inc. and Creation of Arconic and Alcoa Corporation Stock Funds. Effective November 1, 2016, Alcoa Inc. separated into two separate publicly traded companies. Alcoa Inc. was renamed Arconic Inc. and began trading under the ticker symbol ARNC. Alcoa Corporation was spun off from Arconic Inc. and began trading under the ticker symbol AA. This corporate action resulted in two separate stock funds under the Plan: the Arconic Stock Fund (which is an ESOP invested primarily in employer securities) and the Alcoa Corporation Stock Fund (a non-employer stock fund). The Alcoa Corporation Stock Fund shall be permitted as an investment option under the Plan only for approximately one (1) year after November 1, 2016, and will be a frozen fund. No new investments or purchases may be made in the Alcoa Corporation Stock Fund, however, transfers out of the fund will be permitted. Notwithstanding the foregoing, all dividends under the Alcoa Corporation Stock Fund shall be reinvested in the Alcoa Corporation Stock Fund until its liquidation. The final liquidation date will be determined by the Committee in its sole and absolute discretion. Nothing herein shall be interpreted to prevent a Participant from acquiring Alcoa Corporation stock under the Brokerage Account.

(f) (1) Acquisition of Other Investments by Trustee. Arconic has and in the future will enter into investment arrangements with various investment managers. Any such arrangements must be approved by the Benefits Management Committee. Expenses incurred in connection with the purchase or sale of securities by the investment manager are paid from the applicable Investment Fund.

(2) Accounting for Participant's Accounts. Participants' investments in the Core Funds are accounted for on a unit basis. The Trustee allocates to the accounts of each Participant such units in each of the Core Funds as may be acquired with funds (if any) in such Participant's accounts to be invested therein. Such allocations will be made in a uniform manner as determined by the Benefits Management Committee. Transfers and withdrawals are valued based on the Current Market Value per unit on the Effective Date of the transfer or withdrawal.

(g) Transition Provision. Pending investment under an arrangement established pursuant to this Section, and pending distribution to Participants following withdrawal from such an arrangement, cash is invested by the Trustee in short-term fixed income securities or cash equivalents (including commercial paper) and the value of such securities or cash equivalents is allocated to the accounts of Participants in an equitable manner determined by the Benefits Management Committee.

(h) Brokerage Account. Participant's have the right to invest and personally manage investments outside of the Core Funds by investing through the Brokerage Account offered by a broker selected by the Plan ("Broker"). Investment options through the Brokerage Account are mutual funds (other than those already available as Core Funds), any taxable equity or fixed income security publicly traded in a U.S. security market (including American Depository Receipts), and money market funds. Pre-Tax Savings, After-Tax Savings, Rollover Contributions, Participating Employer Contributions, and Discretionary Contributions that are subject to transfer as provided in Section 8, may not be directly invested in the Brokerage Account, nor may withdrawals, distributions or loans be made directly from the Brokerage Account. Such transactions must be processed through the Core Funds.

(1) Restrictions of Trading in the Brokerage Account. Certain restrictions apply to investment vehicles that may be available through the Brokerage Account: Specifically, the following investments are not available through the Brokerage Account: Arconic company stock (common or preferred) and bonds; funds currently available in the Core Funds; tax-free funds; securities of publicly traded limited partnerships; options contracts; purchase on short sales, futures, precious metals, and currencies; real estate (other than funds); annuities; life insurance policies; collectibles; commodities; foreign stocks (not American Depository Receipt); and margin trading and trade-away trades that are placed by another broker and settle with the Broker.

(2) Trading within the Brokerage Account. Investment purchases in the Brokerage Account may be made after such amounts are transferred from the Participant's Core Fund accounts. Transfers from Core Funds may be made as provided in Section 8. Transferred funds will be held in the Broker's money market fund until the Participant's buy orders are received by the Broker. Trades may be subject to initial and subsequent investment minimums required by a mutual fund.

Transfers are made out of the Brokerage Account and into the Core Funds from the Schwab money market fund. If there are insufficient funds to make the requested transfer, the participant must submit a sell order with Schwab. The proceeds of securities sold will be invested automatically in the Broker's money market fund and will be subsequently transferred out of the Brokerage Account to the Core Funds as directed by the Participant.

(3) Expenses Incurred by Trading and Voting. The Broker's standard commission schedule will be deducted from the Brokerage Account of the Participant who initiates the trades, and any other fees and expenses incurred through the Brokerage Account will be paid directly by the Participant.

The Broker will execute proxies for any securities held in the Brokerage Account in accordance with written directions of any Participant.

OTHER PROVISIONS OF THE PLAN

SECTION 16. LOANS

(a) A Participant may borrow a proportion of the Current Market Value of his or her Savings, fully vested Participating Employer Contributions and fully vested Discretionary Contributions (“Eligible Loan Account Balance”).

A Participant shall pay a \$100 processing fee, or such other amount as may be designated by the Plan Administrator, for each loan request. The fee will be included in the loan amount, subject to the limitations of this Section 17, and deducted prior to distribution of the loan. Legacy RTI Money Purchase Plan Balances (as defined in **Schedule C**) and Legacy RTI Roth Balances (as defined in **Schedule D**) shall not be available for Plan loans under any circumstances.

(b) A loan to a Participant, when added to the balance of any other outstanding loans the Participant has under the Plan, cannot exceed the lesser of:

(1) \$50,000 reduced to the extent of the highest outstanding loan balance of the Participant’s loans outstanding during the 365-day period immediately preceding the date on which the loan is made; or

(2) 50% of the sum of the Participant’s (A) Eligible Loan Account Balance, plus (B) vested Discretionary Contributions balance.

A Participant may refinance any general purpose loan for any reason at any time (but only once in a twelve-month period), as may be permitted under the Code or ERISA.

(c) Each loan to a Participant is secured by a promissory note under which the Participant pledges and grants the Trustee an interest in the Participant’s Eligible Loan Account Balance to the extent of the unpaid loan.

(d) All loans to Participants are treated as investments of plan assets in their respective accounts. All principal and interest associated with a Participant’s repayment of a loan are credited to his or her Plan account.

(e) The Plan Administrator has developed a procedure in accordance with the Code and ERISA under which such loans from the Plan will be made available to Participants which procedure has been approved by the Benefits Management Committee.

(f) Loan repayments will be suspended under this Plan during a period of military service as permitted under Section 414(u) (4) of the Internal Revenue Code and the regulations promulgated under Section 72(p) of the Code. Upon the Participant’s return to active employment, loan repayments will resume and the period of repayment extended in direct proportion of the Participant’s period of absence for military leave.

SECTION 17. TRUST

All assets of the Plan are held in trust for the Plan, except as otherwise permitted by applicable law. Arconic has entered into a trust agreement with a national banking association which acts as Trustee under the Plan. The Board or its designee may, from time to time, amend such trust agreement (subject to its terms), remove such Trustee or any Successor Trustee and upon removal or resignation of a Trustee, appoint a Successor Trustee.

SECTION 18. ADMINISTRATION

(a) Duties of Plan Administrator. The Plan Administrator or its Designee are responsible for the preparation and the filing with governmental agencies and furnishing to Participants and Beneficiaries of all summaries, descriptions, annual and other reports, notices and other documents, and information which are required to be so prepared and filed or furnished under ERISA or the Code, retain appropriate records, and also have all of the other responsibilities and duties of the administrator of the Plan as set forth in ERISA, except as otherwise provided in the Plan. Each Participating Employer by whom a Participant is employed furnishes to the Plan Administrator or its Designee any records required for the foregoing.

(b) The Benefits Management Committee. Except as provided in Section 15 and in paragraph (a) of this Section, the complete authority to control and manage the operation and administration of the Plan is placed in the Benefits Management Committee, which consists of one or more persons appointed from time to time by the Board.

(c) Duties of Benefits Management Committee. Subject to the limitations of the Plan, the Benefits Management Committee has the discretionary authority to: (1) construe and interpret the Plan, (2) interpret administrative forms and other information, (3) make credibility findings, and (4) establish supplemental regulations for the administration of the Plan and the transaction of its business. All actions, determinations and interpretations of the Benefits Management Committee will be performed in a uniform and nondiscriminatory manner to all Participants in similar circumstances. All interpretations of the Plan and determinations of disputed questions made by the Benefits Management Committee are conclusive, final and binding upon the Participating Employers, Participants, Beneficiaries, other employees and any other individuals claiming rights under the Plan, subject to a claimant's request under paragraph (e) of this Section to have the Benefits Management Committee review the denial of a claim. When making an interpretation or determination, the Benefits Management Committee is entitled to rely upon information furnished by the individual, Participant, Beneficiary or Participating Employer, unless in accordance with an appeals procedure established by the Benefits Management Committee, the claimant establishes to the satisfaction of the Benefits Management Committee that Continuous Service, compensation or other records are erroneous.

(d) Application for Benefits. Each person applying for a benefit under the Plan must furnish all information required under procedures approved by the Benefits Management Committee.

(e) Review of Denial of Benefits. If any applicant's claim for benefits under the Plan is denied, the applicant will be notified in writing of such denial. Such notice will set forth the specific reasons for such denial and will be written in a manner calculated to be understood by the applicant. The applicant will be afforded a reasonable opportunity for a full and fair review by the Benefits Management Committee or its designee of the decision denying his or her claim for benefits, in accordance with a claims procedure which the Benefits Management Committee adopts. After the final determination of an appeal by the Benefits Management Committee or its Designee, the applicant must file any litigation arising out of the underlying facts or circumstances giving rise to such claim and appeal, under ERISA or otherwise, within one hundred eighty (180) days following the date of the final notice provided by the Benefits Management Committee or its Designee.

(f) Extent of Benefits Management Committee's Responsibility. The members of the Benefits Management Committee will act in a prudent manner in the performance of their duties. No member will be personally liable by virtue of any contract, agreement, bond or other instrument made or executed by or on behalf of such member as a member of the Benefits Management Committee. To the extent permitted by ERISA, no member of the Benefits Management Committee will be liable for any mistake of judgment made by himself or herself or any other member, nor for any loss, unless resulting from his or her own gross negligence or willful misconduct, and no member will be liable for the neglect, omissions or wrongdoing of any other member thereof, or of the agents or counsel of the Benefits Management Committee. To the extent permitted by law, RTI will indemnify and save harmless each member of the Benefits Management Committee against all expenses and liabilities arising out of his or her services as such, except for expenses and liabilities arising from such member's own gross negligence or willful misconduct as determined by the Board.

(g) Relationship to Other Fiduciaries. Each fiduciary in carrying out its responsibilities under the Plan may rely upon any direction, information or action of another fiduciary as being proper under this Plan or the documents under which the assets of the Plan are managed, and is not required to inquire into the propriety of any such direction, information, or action. It is intended under this Plan and such documents that each fiduciary is responsible for the proper exercise of its own powers, duties, responsibilities and obligations under this Plan and such documents and is not responsible for any act or failure to act of another fiduciary, except as otherwise provided by ERISA.

(h) Multiple Fiduciaries. Any person or group of persons may serve in more than one fiduciary capacity with respect to the Plan.

(i) Further Allocation of Fiduciary Duties. Any two or more fiduciaries named herein or appointed by the Board as provided herein may from time to time agree in writing with respect to the allocation of duties and responsibilities under the Plan, including fiduciary responsibilities, among the fiduciaries so agreeing, provided however that any reallocation of fiduciary responsibilities clearly allocated by the Plan or by the Board requires prior approval of the Board.

(j) Delegation of Fiduciary Duties. Any fiduciary named herein or appointed by the Board as provided herein may designate another person or persons to carry out any or all of the duties and fiduciary responsibilities which it has under the Plan and which are specified in such designation, except that no Trustee may delegate fiduciary responsibilities with respect to investment functions without the prior approval of the Board.

(k) Delegation of Ministerial Duties. Any fiduciary named herein, appointed by the Board as provided herein, or designated under paragraph (j) above may delegate ministerial duties as follows: employ one or more persons to render advice, including legal and accounting services, with regard to any responsibility such fiduciary has under the Plan, may appoint ministerial agents (including brokers or others who may execute investment transactions) and may delegate to others its clerical and other non-fiduciary functions.

(l) No Added Remuneration for Employees. No member of the Benefits Management Committee and no other person who renders services to or for the Plan may receive remuneration for services as such if he or she also is an employee of RTI, Arconic, a Subsidiary or Affiliate.

SECTION 19. AMENDMENT, MODIFICATION, SUSPENSION OR TERMINATION

(a) Rights Reserved. RTI reserves the right (subject to the terms of the applicable Bargaining Agreement), by action of the Board or the Benefits Management Committee taken in accordance with the Board's or Benefits Management Committee's operating procedures, (1) to amend, modify, suspend or terminate the Plan or to suspend or completely discontinue contributions to the Plan, and (2) to terminate the Participation in the Plan of any Participating Employer or any designated group of Eligible Employees employed either within or outside the U.S. Any Participating Employer may terminate its participation in the Plan or suspend or discontinue its contributions under the Plan at any time upon 30 days prior written notice to the Plan Administrator. Such 30 day notice requirement may be waived by the Benefits Management Committee. No such amendment or other action relating to the Plan may reduce the amounts then credited to any Participant's account, or provide or have the effect of providing that the securities and funds held in trust for the Plan or the income thereof may be used for or devoted to purposes other than the exclusive benefit of Participants and their Beneficiaries and for the payment of expenses of the Plan.

(b) Sale of Assets, etc. In the event any assets of any business of any Participating Employer are transferred to another entity by sale, merger, consolidation or otherwise, and the entity to which said assets are transferred has in effect, or thereupon establishes, a tax-qualified plan and related trust for the exclusive benefit of employees which qualify under the applicable

provisions of the Code, all assets under the Plan, held in the accounts of Participants who continue in the employment of the transferee entity, may be transferred and paid, for their respective accounts, to the trust for the tax-qualified plan of said transferee entity, provided that any such transfer of investments will be effected in such manner as to preclude, for federal income tax purposes, a termination of the Plan or the constructive receipt of benefits thereunder with respect to said Participants.

(c) Transfer of Plan Assets.

(1) Notwithstanding the foregoing, in the event of any merger or consolidation of the Plan with, or a transfer of any of the assets and liabilities of the Plan to, any other plan, each affected Participant must (as if such plan were terminated immediately after such merger, consolidation or transfer) be entitled to a benefit under such other plan which is equal to or greater than the benefit he or she would have been entitled to receive under the Plan immediately prior to such merger, consolidation or transfer (as if the Plan had then terminated). In the event that assets are transferred to this Plan from any other plan sponsored by Arconic or any Subsidiary or Affiliate, each Participant who has assets transferred from such plan or plans will be entitled to a benefit under this Plan immediately following such transfer that is equal to or greater than the benefit he or she had under such other plan. Any protected optional form of benefits provided under said plan will be maintained under this Plan. These provisions do not constitute a guaranty against investment losses.

(2) In the event a participant in a plan named below ("Arconic Savings Plans") becomes an Eligible Employee under this Plan, all of the participant's accounts in the applicable Arconic Savings Plan will be transferred to analogous accounts in this Plan as soon as reasonably practical after the Plan Administrator or Designee receives notice.

Arconic Salaried Retirement Savings Plan;

Arconic Hourly Non-Bargaining Retirement Savings Plan;

Arconic Bargaining Retirement Savings Plan; and

Arconic Fastener Systems and Rings Retirement Savings Plan.

(3) In the event a Participant ceases to be an Eligible Employee under this Plan and the Participant becomes an eligible employee under one of the Arconic Savings Plans listed in (2) above, all of the Participant's accounts will be transferred to analogous accounts in the applicable Plan, as soon as reasonably practical after the Plan Administrator or Designee receives notice and the Participant ceases to be a Participant, and will be entitled to no further benefits under this Plan.

SECTION 20. ADMINISTRATIVE EXPENSES

Except as otherwise provided in the Plan, all costs and expenses incurred in administering the Plan, including the expenses of the Benefits Management Committee, the fees and expenses of the Trustee, the fees and charges payable under the investment arrangements, and other legal and administrative expenses, are paid by the Plan.

Investments in the Core Funds will be subject to an administrative expense fee, which will be used to pay the expenses of the Plan. Initially the fee will be set at five basis points per year, and will be charged on a daily basis. The fee will be periodically adjusted by the Plan Administrator based on the actual expenses of the Plan.

SECTION 21. SELECTION OF BENEFICIARIES

(a) Designation of Beneficiary. Subject to such administrative procedures as may be adopted from time to time, the Beneficiary with respect to all of the assets in the accounts of a Participant will be the Participant's spouse if then living, or if not, the Participant's estate. With the written notarized consent of a Participant's spouse, a Participant may file with the Plan Administrator or its Designee a written designation of a Beneficiary or Beneficiaries other than his or her spouse. In the event the designation of such other Beneficiary is revoked in writing by the Participant, his or her spouse will become the Beneficiary of said assets until such time as the Participant, with his or her spouse's written notarized consent, designates in writing another Beneficiary or Beneficiaries.

In the event a Participant certifies that he or she does not have a spouse, a Beneficiary or Beneficiaries with respect to all or part of the assets in the accounts of the Participant may be designated or revoked by the sole action of the Participant.

If there is no designated Beneficiary, or if no Beneficiary is living at the time of the Participant's death, the Beneficiary is the Participant's spouse if then living, or if not, the Participant's estate.

Written designations of a primary Beneficiary or a contingent Beneficiary to receive the assets of a Participant in the case where the primary Beneficiary is deceased, spousal consents, and revocations are made on a form or forms approved by the Plan Administrator. Any such written designation, consent or revocation become effective on the calendar day on which such designation, consent or revocation is Properly Received. After the death of a Participant, a properly designated Beneficiary may name his or her own Beneficiary to receive a distribution of the Beneficiary's account balances when the Beneficiary is deceased ("Subsequent Beneficiary"). A Subsequent Beneficiary shall receive a total distribution of the Subsequent Beneficiary's account balance within the greater of: (i) ninety (90) days after death of the Beneficiary who named such Beneficiary or (ii) five (5) years of the Participant's death.

(b) Other Payments. In case of incapacity of a Participant or Beneficiary entitled to a benefit under the Plan, benefit payments are made to such person's legal representative who makes claim therefore, or if no such claim has been received, to such other person or persons as the Benefits Management Committee, utilizing objective criteria, selects from among dependents, next of kin, or friends. Any payment of a benefit under the Plan in accordance with the provisions of this Section is a complete discharge of any liability for the payment of such benefit under the Plan.

SECTION 22. PARTICIPANT'S STATEMENT

A statement showing each Participant's interest in each of the Plan's Investment Funds will be made available at least quarterly.

SECTION 23. EFFECTIVE DATE OF PLAN

The Plan is effective January 1, 2017.

SECTION 24. CONSTRUCTION

It is intended that the Plan conform to the applicable requirements of ERISA and the Code, and that the Plan and related trust agreement are considered one if and to the extent necessary for compliance therewith. Except to the extent otherwise provided in ERISA and the Code, the Plan is construed, regulated and administered under the laws of the Commonwealth of Pennsylvania, including its applicable statute of limitations (as such may be superseded by any limitations period provided under the terms of the Plan).

(c) to ensure deductibility of the Employer's entire contribution to the Plan for federal income tax purposes.

4. **Definitions.** For purposes of this Appendix A, the following terms are defined as follows:

(a) **"Actual Deferral Percentage"** means the ratio, expressed as a percentage calculated to the nearest one-hundredth of one percent, of the amount of Pre-Tax Savings on behalf of an Eligible Employee for a Plan Year to the Eligible Employee's Compensation for the Plan Year, whether or not the employee was a Participant for the entire Plan Year. A Highly Compensated Employee's Savings include such savings for the Plan Year which is in excess of the limitations set forth in Section 415(c) (1) of the Code ("Excess Pre-Tax Savings"), but exclude Excess Pre-Tax Savings for Non Highly Compensated Employees. Any Eligible Employee who does not elect to make Pre-Tax Savings and who does not receive Qualified Matching Contributions for a Plan Year will have zero Actual Deferral Percentage for the Plan Year.

(b) **"Average Actual Deferral Percentage"** means, for the group of Eligible Employees, covered under a Bargaining Agreement, who are Highly Compensated Employees for a Plan Year or the group of Eligible Employees, covered under a Bargaining Agreement, who are Non-Highly Compensated Employees for the Plan Year, the average of the Actual Deferral Percentages of all Eligible Employees in such group for the Plan Year.

(c) **"Average Contribution Percentage"** means, for the group of Eligible Employees, other than those covered under a Bargaining Agreement, who are Highly Compensated Employees for a Plan Year or the group of Eligible Employees, other than those covered under a Bargaining Agreement, who are Non-Highly Compensated Employees for the Plan Year, the average of the Contribution Percentages of all Eligible Employees in such group for the Plan Year.

(d) **"Contribution Percentage"** means the ratio, expressed as a percentage calculated to the nearest one-hundredth of one percent, of the sum of Participating Employer Contributions and Discretionary Contributions (other than Qualified Matching Contributions treated as Elective Deferrals under paragraph 7 of this Appendix) and any After-Tax Savings on

behalf of an Eligible Employee for a Plan Year to the Employee's Compensation for the Plan Year, whether or not the employee was a Participant for the entire Plan Year. For these purposes, an Eligible Employee's Contribution Percentage for any Plan Year is calculated by excluding any forfeitures of Excess Aggregate Contributions allocated to the Eligible Employee's account for the Plan Year.

(e) "Compensation" means the total amount of compensation (within the meaning of Section 415(c) (3) of the Code, and subject to the limitation of Section 401(a) (17) of the Code) received by an employee from the Employer while an Eligible Employee under the Plan during the Plan Year. An Eligible Employee's Compensation for a Plan Year includes all Pre-Tax Savings made to the plan for the Plan Year, and all other such employee savings made by the Employer for the Plan Year to any other plan on behalf of the employee that are not currently includible in the gross income of the employee under Sections 125, 132(f)(4), 402(a)(8), 402(h) or 403(b) of the Code, provided that RTI has elected to treat all such elective contributions as compensation with respect to all employees under all plans of the Participating Employer.

(f) "Eligible Employee" means, with respect to any Plan Year, any employee who is eligible to commence participation in the Plan under Section 1 of the Plan and to have Savings made to the Plan under Section 2 of the Plan for the Plan Year, regardless of whether any contributions are made to the Plan on behalf of the employee for the Plan Year.

(g) "Excess Contributions" means, with respect to any Plan Year, the excess of the aggregate amount of Pre-Tax Savings, including Qualified Matching Contributions treated as Elective Deferrals under paragraph 7 of this Appendix, actually made to the Plan on behalf of Highly Compensated Employees for the Plan Year over the maximum amount of such contributions permitted under paragraph 5 of this Appendix.

(h) "Excess Aggregate Contributions" means, with respect to any Plan Year, the excess of the aggregate amount of Participating Employer Contributions, Discretionary Contributions and any After-Tax Savings actually made to the Plan on behalf of Highly Compensated Employees for the Plan Year over the maximum amount of such contributions permitted under paragraph 9 of this Appendix.

(i) "Employer" means RTI and all other entities as required to be covered under Section 414(c) of the Code.

(j) "Family Member" means, with respect to any Eligible Employee, an individual described in Section 414(q) (6) (B) of the Code.

(k) "Highly Compensated Employee" includes, for any Plan Year, the following Employees:

(i) A Highly Compensated Active Employee includes any employee (other than employees who are non-resident aliens and receive no earned income from sources within the U.S.) who performs service for the Employer during the Determination Year and who during the Look-Back Year:

(1) was a 5 % owner (within the meaning pursuant to Section 416(i) (1) of the Code) at any time during the year or the preceding year, or

(2) for the preceding year received Compensation from the Employer in excess of \$80,000 (as adjusted pursuant to Section 415(d) of the Code) for such year.

(ii) A Highly Compensated Former Employee means:

(1) any employee who was a Highly Compensated Employee when the employee separated from service, or

(2) any employee who was a Highly Compensated Employee at any time after attaining the age 55.

(l) “Non-Highly Compensated Employee” means, for any Plan Year, an employee who is not a Highly Compensated Employee.

(m) “Qualified Matching Contributions” means any Participating Employer Contributions to this Plan on behalf of Eligible Employees, provided that amounts attributable to such contributions are not distributable merely on account of the Employee’s hardship and are immediately vested.

5. Average Actual Deferral Percentage Test. For each Plan Year, the Plan must satisfy one of the following Average Actual Deferral Percentage tests with respect to Pre-Tax Savings, and Qualified Matching Contributions treated as Pre-Tax Savings under paragraph 7 of this Appendix, made to both the ESOP and non-ESOP portions of the Plan for the Plan Year:

(a) the Average Actual Deferral Percentage for the group of Eligible Employees who are Highly Compensated Employees for the Plan Year will not exceed the Average Actual Deferral Percentage for the group of Eligible Employees who are Non-Highly Compensated Employees for the Plan Year multiplied by 1.25; or

(b) the Average Actual Deferral Percentage for the group of Eligible Employees who are Highly Compensated Employees for the Plan Year will not exceed the Average Actual Deferral Percentage for the group of Eligible Employees who are Non-Highly Compensated Employees for the Plan Year multiplied by two, provided that the Average Actual Deferral Percentage for the group of Eligible Employees who are Highly Compensated Employees for the Plan Year does not exceed the Average Actual Deferral Percentage for the group of Eligible Employees who are Non-Highly Compensated Employees by more than two percentage points.

(c) The Average Actual Deferral Percentage Test for all contributions to the ESOP portion of the Plan will be computed separately under this Section.

6. Special Rules.

(a) **Aggregation of Plans.** In the event that this Plan satisfies the requirements of Section 401(a) (4), 401(k) or 410(b) of the Code only if aggregated with one or more other plans, or if one or more other plans satisfy the requirements of such sections of the Code only if aggregated with this Plan, then the provisions stated herein will be applied by determining the Actual Deferral Percentages of Employees as if all such plans (excluding other ESOPs) were a single plan. Plans may be aggregated in order to satisfy Section 401(k) of the Code only if they have the same plan year. Notwithstanding the foregoing, certain plans will be treated as separate if mandatorily disaggregated under regulations under Section 401(k) of the Code.

(b) In the event the Plan does not pass the ADP test, the test will be disaggregated by removing from the test all participants who have not attained age 21 and completed one eligibility year within 6 months of the last day of the plan year.

(c) All ESOP portions of the Savings Plan shall be aggregated for ADP with the Non-ESOP portions of the Savings Plan.

7. Treatment of Qualified Matching Contributions. If any Qualified Matching Contributions are made on behalf of Eligible Employees for a Plan Year, RTI may elect, in accordance with the regulations of the Secretary of Treasury under Section 401(k) of the Code, to treat all or a portion of such Qualified Matching Contributions as Pre-Tax Savings for purposes of calculating the Actual Deferral Percentages of Eligible Employees for the Plan Year. Any such Qualified Matching Contributions for a Plan Year must be made no later than the end of the 12 month period immediately following the close of the Plan Year.

8. Correction of Excess Contributions.

(a) **General Rule.** If the Plan does not satisfy one of the Average Actual Deferral Percentage tests of paragraph 5 of this Appendix as of the end of a Plan Year, the Excess Contributions for the Plan Year will be corrected if the Excess Contributions for the Plan Year are timely recharacterized as employee After-Tax Savings contributions in accordance with subsection (c) below or timely distributed to Highly Compensated Employees in accordance with subsection (d) below.

(b) **Allocation of Excess Contributions.** In the event the nondiscrimination requirements of paragraph 5 of this Appendix are not satisfied for a Plan Year, the “deferral percentage leveling method” described in the preceding paragraph is performed as a first step in order to determine the total dollar amount of Excess Contribution to be distributed: a calculation

is made to determine the dollar amount of Elective Deferrals necessary to reduce the deferral percentage of the Highly Compensated Employee with the highest deferral percentage to be equal to the deferral percentage of the Highly Compensated Employee with the next highest deferral percentage, and where necessary, calculations are made to determine the dollar amounts of reductions of the deferral percentage of subsequent Highly Compensated Employees that may be required in order to satisfy the nondiscrimination requirements in paragraph 5 of this Appendix. The total dollar amount of Excess Contribution that must be distributed for the Plan Year is the sum of the dollar amounts so calculated for each Highly Compensated Employee whose deferral percentage is so reduced.

Distribution of the total amount of Excess Contribution determined in the paragraph above is made using the "dollar leveling method." Excess Contributions of the Highly Compensated Employee with the largest dollar amount of contributions for the Plan Year shall be distributed to the extent necessary to cause that Highly Compensated Employee's dollar amount of Excess Contributions to equal the dollar amount of Excess Contributions of the Highest Compensated Employee with the next highest dollar amount of Excess Contributions for the Plan Year. If the total amount distributed is less than the amount of total Excess Contribution, then both Highly Compensated Employees' amounts are reduced to the same dollar level of the Highly Compensated Employee electing the third highest dollar amount and the dollar leveling process is repeated until the total dollar amount that should be reduced as calculated in the above paragraph is distributed. However, if reduction of a lesser amount of contributions would equal the total dollar amount of Excess Contributions that must be distributed for the Plan Year, the lesser amount is distributed.

A participant who has had his contributions reduced in accordance with this subparagraph shall have the amount of such reduction paid to him in cash as soon as practicable, subject to applicable payroll taxes. The amount of the Excess Contributions to be distributed shall be reduced by excess deferrals under 402(g) previously distributed for the Plan Year. The distributions of Excess Contributions shall include the income allocable thereto, including both the income allocable for the Plan Year for which the Contributions were made and the income for the period between the end of that Plan Year and the date as of which the distribution is made. The distribution of Excess Contributions shall include the income or loss allocable only for the Plan Year of the Excess Contributions, and will not include the income or loss for the period between the end of the Plan Year and the date distribution is made. In addition, any Company Matching Contributions associated with the Excess Contribution shall be treated as forfeiture and used to reduce the Employer's contribution under Section 3 of the Plan.

(c) Recharacterization of Excess Contributions. Any recharacterization of Excess Contributions as employee After-Tax Savings will be accomplished by the Plan Administrator in the manner provided in subsection (b) above within 2 ½ months after the close of the Plan Year, providing such notices and following such procedures as required by regulations of the Secretary of Treasury, and will be deemed to occur no earlier than the date on which the last Highly Compensated Employee is informed in writing of the amount of his or her recharacterized Excess Contributions and the consequences thereof. Any Excess Contributions that are

recharacterized as employee after-tax contributions for a Plan Year will, in combination with other Participating Employer Contributions to the Plan for the Plan Year, satisfy the Average Contribution Percentage tests of paragraph 9 of this Appendix for the Plan Year. Any recharacterized Excess Contributions remain nonforfeitable under the Plan and are subject to the same distribution requirements as Pre-Tax Savings. Recharacterized Excess Contributions are taxable to the Highly Compensated Employee for the year in which the Highly Compensated Employee could have originally elected to receive the Excess Contributions amount in cash.

(d) Distribution of Excess Contributions. If any Excess Contributions allocated to Highly Compensated Employees for a Plan Year are not corrected by recharacterization under (c) above, then such Excess Contributions, plus any income and minus any loss allocable thereto, will be distributed to Highly Compensated Employees no later than 12 months following the close of the Plan Year.

(e) Income or Loss Allocable to Excess Contributions. The income or loss allocable to the Excess Contributions referred to in subsection (d) above include the allocable income or loss for the Plan Year of the Excess Contributions and the allocable income or loss for the period between the end of the Plan Year and the distribution of the Excess Contributions, calculated as follows:

The income or loss allocable for the Plan Year of the Excess Contributions is determined by multiplying the total investment income or loss (including dividends, interest, realized gains or losses, and unrealized appreciation or depreciation) allocable to the Participant's Pre-Tax Savings and amounts treated as Pre-Tax Savings under paragraph 7 of this Appendix for the Plan Year by a fraction, the numerator of which is the Excess Contributions allocated to the Participant for the Plan Year, and the denominator of which is the total account balance attributable to the Participant's Pre-Tax Savings and amounts treated as Pre-Tax Savings under paragraph 7 of this Appendix as of the end of the Plan Year, reduced by the investment gain (or increased by the investment loss) allocated to such total amount for the Plan Year.

Effective January 1, 2008, the income or loss allocable to the Excess Contributions referred to in subsection (d) above will include only the income or loss allocable for the Plan Year of the Excess Contributions, and not the income or loss for the period between the end of the Plan Year and the distribution of Excess Contributions.

(f) Coordination with Excess Pre-Tax Savings. The amount of any Excess Contributions to be recharacterized under subsection (c) above or distributed under subsection (d) above with respect to any Highly Compensated Employee for a Plan Year is reduced by any excess Pre-Tax Savings previously distributed to the Highly Compensated Employee for the employee's taxable year ending with or within the Plan Year.

(g) Accounting for Excess Contributions. The amount of Excess Contributions allocated to a Highly Compensated Employee for a Plan Year that is recharacterized under subsection (c) above or distributed under subsection (d) above is attributed first to the

Participant's Pre-Tax Savings for the Plan Year and then, to the extent such Excess Contributions exceed the Participant's Pre-Tax Savings for the Plan Year, attributed to amounts treated as Pre-Tax Savings under paragraph 4 of this Appendix in proportion to the amounts of such contributions on behalf of the Participant for the Plan Year.

9. Average Contribution Percentage Tests. For each Plan Year for which Participating Employer Contributions are made to the Plan (other than Qualified Matching Contributions treated as Pre-Tax Savings for the Plan Year under paragraph 7 of this Appendix) or any After-Tax Savings are made to the Plan (including any Excess Contributions recharacterized as After-Tax Savings for the Plan Year under paragraph 8(c) of this Appendix), both the ESOP and non-ESOP portions of the Plan will satisfy one of the following Average Contribution Percentage tests for the Plan Year:

(a) the Average Contribution Percentage for the group of Eligible Employees who are Highly Compensated Employees for the Plan Year will not exceed the Average Contribution Percentage for the group of Eligible Employees who are Non-Highly Compensated Employees for the Plan Year multiplied by 1.25; or

(b) the Average Contribution Percentage for the group of Eligible Employees who are Highly Compensated Employees for the Plan Year will not exceed the Average Contribution Percentage for the group of Eligible Employees who are Non-Highly Compensated Employees for the Plan Year multiplied by two, provided that the Average Contribution Percentage for the group of Eligible Employees who are Highly Compensated Employees for the Plan Year does not exceed the Average Contribution Percentage for the group of Eligible Employees who are Non-Highly Compensated Employees by more than two percentage points.

(c) the Average Contribution Percentage Test applies separately to the ESOP portion of the Plan.

10. Special Rules.

(a) **Aggregation of Plans.** In the event that this Plan satisfies the requirements of Section 401(a) (4), 401(m) or 410(b) of the Code only if aggregated with one or more other plans, or if one or more other plans satisfy the requirements of such sections of the Code only if aggregated with this Plan, then the provisions stated herein will be applied by determining the Contribution Percentages of Employees as if all such plans were a single plan. For plan years beginning after December 31, 1989, plans may be aggregated to satisfy Section 401(m) of the Code only if they have the same plan year. Notwithstanding the foregoing, certain plans will be treated as separate if mandatorily disaggregated under regulations under Section 401(k) of the Code.

(b) In the event the Plan does not pass the ACP test, the test will be disaggregated by removing from the test all participants who have not attained age 21 and completed one eligibility year within 6 months of the last day of the plan year.

(c) All ESOP portions of the Savings Plan shall be aggregated for ACP with the Non-ESOP portions of the Savings Plan.

11. Treatment of Pre-Tax Savings as Participating Employer Contributions.

RTI may elect, in accordance with the regulations of the Secretary of Treasury under Section 401(m) of the Code, to treat all or a portion of the Pre-Tax Savings made on behalf of Eligible Employees for a Plan Year as Participating Employer Contributions for purposes of calculating the Contribution Percentages of Eligible Employees for the Plan Year. Any such Pre-Tax Savings for a Plan Year must be made no later than the end of the 12 month period immediately following the close of the Plan Year. Notwithstanding the preceding, RTI may elect to treat Pre-Tax Savings as Participating Employer Contributions for purposes of calculating Contribution Percentages only if one of the Average Actual Deferral Percentage Tests of paragraph 5 of this Appendix is satisfied before the Pre-Tax Savings are treated as Participating Employer Contribution for the Plan Year, and one of the Average Actual Deferral Percentage Tests of paragraph 5 of this Appendix continues to be satisfied for the Plan Year excluding the Pre-Tax Savings treated as Participating Employer Contributions for the Plan Year.

12. Correction of Excess Aggregate Contributions.

(a) General Rule. If the Plan does not satisfy one of the Average Contribution Percentages tests of paragraph 9 of this Appendix as of the end of a Plan Year, the Excess Aggregate Contributions for the Plan Year will be corrected by the Employer if the Excess Aggregate Contributions for the Plan Year are forfeited or timely distributed to Highly Compensated Employees in accordance with subsection (c) below.

(b) Allocation of Excess Aggregate Contributions. Effective as of January 1, 1997, in the event Excess Aggregate Contributions are made to the Plan for a Plan Year, the Contribution Percentage for the Highly Compensated Employee with the largest dollar amount of deferrals for the Plan Year will be reduced to minimum extent necessary either:

- (i) to enable the Plan to satisfy one of the Average Contribution Percentage tests of paragraph 9 of this Appendix for the Plan Year; or
- (ii) to cause the Highly Compensated employee's Contribution Percentage to equal the next highest Contribution Percentage of any Highly Compensated Employee for the Plan Year.

This process is repeated until the Average Contribution Percentage for the group of Eligible Employees who are Highly Compensated Employees for the Plan Year is sufficiently reduced to enable the Plan to satisfy one of the Average Contribution Percentage tests of paragraph 9 of this Appendix for the Plan Year. The amount of Excess Aggregate Contributions to be allocated to

each Highly Compensated Employee for the Plan Year is equal the total After-Tax Savings and Participating Employer Contributions, including Pre-Tax Savings on behalf of the Highly Compensated Employee for the Plan Year minus the amount determined by multiplying the Highly Compensated Employee's reduced Contribution Percentage (as determined above) by the employee's Compensation for the Plan Year.

(c) Forfeiture or Distribution of Excess Aggregate Contributions. Excess Aggregate Contributions, plus any income or minus any loss allocable thereto, must be forfeited to the extent attributable under subsection (f) below to Participating Employer Contributions that are not vested, and otherwise distributed to Highly Compensated Employees no later than 12 months following the close of the Plan Year.

(d) Income or Loss Allocable to Excess Aggregate Contributions. The income or loss allocable to the Excess Aggregate Contributions referred to in subsection (c) above include the allocable income or loss for the Plan Year of the Excess Aggregate Contributions and the allocable income or loss for the period between the end of the Plan Year and the distribution of the Excess Aggregate Contributions, calculated as follows:

(i) the income or loss allocable for the Plan Year of the Excess Aggregate Contributions is determined by multiplying the total investment income or loss (including dividends, interest, realized gains or losses, and unrealized appreciation or depreciation) allocable to the Participant's After-tax Savings, Participating Employer Contributions, and any other amounts taken into account under this section for the Plan Year by a fraction, the numerator of which is the Excess Aggregate Contributions allocated to the Participant for the Plan Year, and the denominator of which is the total account balance attributable to the Participant's After-tax Savings, Participating Employer Contributions and other amounts taken into account under this section as of the end of the Plan Year, reduced by the investment gain (or increased by the investment loss) allocated to such total amount for the Plan Year;

(ii) the income or loss allocable to the period (if any) between the end of the Plan Year of the Excess Aggregate Contributions and the distribution of the Excess Aggregate Contributions by the Plan is determined by multiplying the total investment income or loss allocated to the Participant's Participating Employer Contributions and amounts treated as Participating Employer Contributions under paragraph 11 of this Appendix for such period by a fraction determined under the method described in (i) above. In the alternative, the income or loss allocable to the period between the end of the Plan Year of the Excess Aggregate Contributions and the distribution of the Excess Aggregate Contributions equals 10% of the income or loss allocable to the Participant's Excess Aggregate Contributions for the Plan Year (as determined under (i) above multiplied by the number of calendar months that elapse between the end of the Plan Year and the date of distribution. For these purposes, a distribution occurring on or before the fifteenth day of a calendar month is treated as having been made on the last day of the preceding calendar month, and a distribution occurring after the fifteenth date of a calendar month is treated as having been made on the first day of the following calendar month.

The income or loss will include only the income or loss allocable for the Plan Year of the Excess Aggregate Contributions, and not the income or loss for the period between the end of the Plan Year and the distribution of Excess Aggregate Contributions.

(e) Coordination with Excess Contributions. The determination of the amount of Excess Aggregate Contributions for a Plan Year is made after the determination of the amount of any Excess Contributions for the Plan Year.

(f) Accounting for Excess Aggregate Contributions. The amount of Excess Aggregate Contributions allocated to a Highly Compensated Employee for a Plan Year is attributed to Participating Employer Contributions and any amounts treated as Participating Employer Contributions in proportion to the amounts of such contributions on behalf of the Participant for the Plan Year.

13. Recordkeeping Requirements.

(a) Average Actual Deferral Percentage Tests. The Employer maintains records sufficient to demonstrate satisfaction of the Average Actual Deferral Percentage tests of paragraph 5 of this Appendix for each Plan Year, and the extent to which any Qualified Matching Contributions are treated as Pre-Tax Savings under paragraph 7 of this Appendix for purposes of such tests. The determination of Eligible Employees' Actual Deferral Percentages, and the disposition of all Pre-Tax Savings (and any Qualified Matching Contributions treated as Pre-Tax Savings under paragraph 7 of this Appendix) on behalf of Participants, must satisfy such other requirements as may be prescribed by the Secretary of Treasury.

(b) Average Contribution Percentage Tests. The Employer maintains records sufficient to demonstrate satisfaction of the Average Contribution Percentage tests of paragraph 9 of this Appendix for each Plan Year, and the extent to which any Pre-Tax Savings are treated as Participating Employer Contributions under paragraph 11 of this Appendix for purposes of such tests. The determination of Eligible Employees' Average Contribution Percentages, and the disposition of all Participating Employer Contributions (and any Pre-Tax Savings) on behalf of Participants, must satisfy such other requirements as may be prescribed by the Secretary of Treasury.

14. Distribution of Excess Elective Deferrals. Excess Elective Deferrals means Pre-Tax Savings that is includible in a Participant's gross income under Section 402(g) of the Code to the extent it exceeds the dollar limitation. Excess Elective Deferrals are treated as annual additions under the Plan unless such amounts are distributed no later than the first April 15th following the close of the Participant's taxable year. Excess Elective Deferrals are adjusted for any income or loss up to the date of distribution as calculated under paragraph 8(e) and 12(d) of this Appendix.

A Participant is deemed to notify the Plan Administrator of Excess Elective Deferrals that arise by taking into account only those Elective Deferrals made to this Plan and any other plans of the Employer. A Participant may assign any Excess Elective Deferrals made by the Participant to any other plans other than those of the Employer by notifying the Plan Administrator on or before January 15th of the following year.

APPENDIX B

CODE SECTION 415 LIMITATIONS

The limitations imposed by Section 415 of the Code are hereby incorporated by reference. If there is any discrepancy between the provisions of this Plan and the provisions of Code Section 415 and the regulations thereunder, the discrepancy will be resolved in such a way to give full effect to the provisions of Code Section 415.

The maximum annual additions provided by the Plan will be exactly equal to the maximum amounts permitted under Code Section 415 and the regulations thereunder. In the event a Participant's annual additions for any Plan Year would exceed the maximum amount of annual additions permitted under Code Section 415, such Participant's Savings are automatically reduced, in whole or in part, by the amount required to eliminate such excess.

For purposes of applying the limitations described in this Appendix B, compensation will include any differential pay received by a Participant absent for military leave and any payment earned prior to a Participant's separation from employment that is paid within a period ending on the later of i) two and one-half months following the date the Participant separated from employment, or ii) the end of the Plan Year in which the date the Participant separated from employment ("Post-Separation Compensation"). Post-Separation Compensation will include any payments for vacation, sickness, or leave of absence that otherwise would have been included as compensation had the Participant remained employed.

APPENDIX C

TOP HEAVY RULES

(a) This Plan constitutes a “Top Heavy Plan” for a Plan Year if as of the last day of the preceding Plan Year the present value of the cumulative account balances under the Plan for Participants who are Key Employees exceed 60 percent of the present value of the aggregate of all account balances for all Participants in the Plan. A non-Key Employee means any Participant or former Participant who is not a Key Employee.

(b) This Plan constitutes a Top Heavy Plan for a Plan Year if the employee benefit plans which make up the group of plans of which this Plan is considered a part are such that, when aggregated, the sum of (1) the present value of the account balances of Key Employees under all defined contribution plans in the group, and (2) the present value of the cumulative accrued benefits of Key Employees under all defined benefit plans in the group exceed 60 percent of the sum of such amounts for all employees who participate in the plans in the said group.

(1) The group of plans in which this Plan is considered a part includes (A) all plans of Arconic, the Subsidiaries and Affiliates which enable the particular plans in which a Key Employee participates to meet the qualification requirement of Section 401(a)(4) of the Code or Section 410 of the Code; and, (B) all plans which Arconic, in its discretion, decides to include, provided that the inclusion of such plan or plans would not prevent the group of plans from meeting the qualification requirements of Sections 401(a)(4) and 410 of the Code. The date upon which the account balances are valued for purposes of calculating the top heavy ratio to determine whether or not the Plan is Top Heavy for a particular Plan Year is the determination date, which is the last day of the preceding Plan Year, or in the case of the first plan year of any plan, the last day of such plan year.

(2) The amounts of account balances of an employee as of the determination date are increased by the distributions made with respect to the employee under the plan and any plan aggregated with the plan under Section 416(g)(2) of the Code during the one-year period ending on the determination date. The preceding sentence also applies to distributions under a terminated plan which, had it not been terminated, would have been aggregated with the plan under Section 416(g)(2)(A)(i) of the Code. In the case of a distribution made for a reason other than severance from employment, death, or disability, this provision is applied by substituting “five-year period” for “one-year period.”

(3) The accounts of any individual who has not performed services for the employer during the one-year period ending on the determination date are not taken into account.

(c) The following provisions are applicable to Participants for any Plan Year with respect to which the Plan is Top Heavy:

(1) The minimum Participating Employer Contribution for a Participant who is a non-Key Employee and has not separated from service at the end of the Plan Year must not be less than three percent of his or her Eligible Compensation for the Top Heavy Plan Year. If said allocation is less than three percent of his or her Eligible Compensation, then said allocation is the largest percentage allocated to a Key Employee for the Top Heavy Plan Year. In the event the highest rate allocated to a Key Employee for the Top Heavy Plan Year is less than three percent, Pre-Tax amounts contributed to the Plan are included in determining contributions made on behalf of Key Employees. Compensation for determining a minimum benefit, a minimum contribution and for all other Top Heavy purposes is the Participant's W-2 earnings for the calendar year that ends with the Plan Year.

Participating Employer Contributions used to satisfy the minimum contribution requirements are treated as Participating Employer Contributions for purposes of the actual contribution percentage test and other requirements of Section 401(m) of the Code.

(2) With respect to benefits accruing during any Plan Year in which the Plan is Top Heavy, average compensation is limited to amounts not in excess of the amount permitted under Section 401(a)(17) of the Code. If the accrued benefit as of the end of the last Plan Year before the Plan became Top Heavy is greater than the accrued benefit determined by limiting compensation, that higher accrued benefit cannot be reduced.

(3) In the event the Plan is Top Heavy with respect to a Plan Year and ceases to be Top Heavy for a subsequent Plan Year the Participant's account balance in any such subsequent Plan Year is not less than the Participant's Pre-Tax Savings (subject to adjustment for earnings) computed as of the end of the most recent Plan Year for which the Plan was Top Heavy.

(d) Notwithstanding any of the above, if a non-Key Employee participates in this Plan and a defined benefit pension plan included in a required aggregation group which is top heavy, a minimum allocation of five percent of Section 415 compensation is provided under this Plan. The Plan will not be deemed Top Heavy if ninety percent is substituted for sixty percent in (b)(1) of this Appendix and Participating Employer provides additional contributions to the Plan on behalf of non-Key Employees who participate in both defined benefit and defined contribution plans maintained by a Participating Employer, in amounts at least equal to the amount set forth in Paragraph (c)(1) of this Appendix as modified by substituting "seven and one-half percent" for "three percent." If the non-Key Employee does not participate in a defined benefit plan maintained by Arconic, a Subsidiary or Affiliate, such employee will receive an additional contribution of four percent.

APPENDIX D

MINIMUM DISTRIBUTION REQUIREMENTS.

Section 1. General Rules

- 1.1. **Effective Date.** The provisions of this Appendix D will apply for purposes of determining required minimum distributions for calendar years beginning with the 2003 calendar year.
- 1.2. **Precedence.** The requirements of this Appendix D will take precedence over any inconsistent provisions of the plan.
- 1.3. **Requirements of Treasury Regulations Incorporated.** All distributions required under this Appendix D will be determined and made in accordance with Section 401(a)(9) of the Code and Treasury regulations §§1.401(a)(9)-2 through -9, which will override any inconsistent distribution provisions of the Plan. Distribution of any incidental death benefit requirements provided under the Plan will be a distribution for purposes of this Appendix D.
- 1.4. **TEFRA Section 242(b)(2) Elections.** Notwithstanding the other provisions of this Appendix D, distributions may be made under a designation made before January 1, 1984, in accordance with section 242(b)(2) of the Tax Equity and Fiscal Responsibility Act (TEFRA) and the provisions of the plan that relate to section 242(b)(2) of TEFRA.

Section 2. Time and Manner of Distribution.

- 2.1. **Required Beginning Date.** The participant's entire interest will be distributed, or begin to be distributed, to the participant no later than the participant's required beginning date.
- 2.2. **Death of Participant Before Distributions Begin.** If the participant dies before distributions begin and there is a designated beneficiary, the participant's entire interest will be distributed to the designated beneficiary by December 31 of the calendar year containing the fifth anniversary of the participant's death. If the participant's surviving spouse is the participant's sole designated beneficiary and the surviving spouse dies after the participant but before distributions to either the participant or the surviving spouse begin, this election will apply as if the surviving spouse were the participant. This election will apply to all distributions.

If there is no designated beneficiary as of September 30 of the year following the year of the participant's death, the participant's entire interest will be distributed by December 31 of the calendar year containing the fifth anniversary of the participant's death.

2.3. Forms of Distribution. Unless the participant's interest is distributed in the form of an annuity purchased from an insurance company or in a single sum on or before the required beginning date, as of the first distribution calendar year distributions will be made in accordance with sections 3 and 4 of this Appendix D. If the participant's interest is distributed in the form of an annuity purchased from an insurance company, distributions thereunder will be made in accordance with the requirements of section 401(a)(9) of the Code and the Treasury regulations.

Section 3. Required Minimum Distributions During Participant's Lifetime.

3.1. Amount of Required Minimum Distribution For Each Distribution Calendar Year. During the participant's lifetime, the minimum amount that will be distributed for each distribution calendar year is the lesser of:

(a) the quotient obtained by dividing the participant's account balance by the distribution period in the Uniform Lifetime Table set forth in section 1.401(a)(9)-9 of the Treasury regulations, using the participant's age as of the participant's birthday in the distribution calendar year; or

(b) if the participant's sole designated beneficiary for the distribution calendar year is the participant's spouse, the quotient obtained by dividing the participant's account balance by the number in the Joint and Last Survivor Table set forth in section 1.401(a)(9)-9 of the Treasury regulations, using the participant's and spouse's attained ages as of the participant's and spouse's birthdays in the distribution calendar year.

3.2. Lifetime Required Minimum Distributions Continue Through Year of Participant's Death. Required minimum distributions will be determined under this section 3 beginning with the first distribution calendar year and up to and including the distribution calendar year that includes the participant's date of death

Section 4. Required Minimum Distributions After Participant's Death.

4.1. Death On or After Date Distributions Begin.

(a) Participant Survived by Designated Beneficiary. If the participant dies on or after the date distributions begin and there is a designated beneficiary, the minimum amount that will be distributed for each distribution calendar year after the year of the participant's death is the quotient obtained by dividing the participant's account balance by the longer of the remaining life expectancy of the participant or the remaining life expectancy of the participant's designated beneficiary, determined as follows:

(1) The participant's remaining life expectancy is calculated using the age of the participant in the year of death, reduced by one for each subsequent year.

(2) If the participant's surviving spouse is the participant's sole designated beneficiary, the remaining life expectancy of the surviving spouse is calculated for each distribution calendar year after the year of the participant's death using the surviving spouse's age as of the spouse's birthday in that year. For distribution calendar years after the year of the surviving spouse's death, the remaining life expectancy of the surviving spouse is calculated using the age of the surviving spouse as of the spouse's birthday in the calendar year of the spouse's death, reduced by one for each subsequent calendar year.

(3) If the participant's surviving spouse is not the participant's sole designated beneficiary, the designated beneficiary's remaining life expectancy is calculated using the age of the beneficiary in the year following the year of the participant's death, reduced by one for each subsequent year.

(b) No Designated Beneficiary. If the participant dies on or after the date distributions begin and there is no designated beneficiary as of September 30 of the year after the year of the participant's death, the minimum amount that will be distributed for each distribution calendar year after the year of the participant's death is the quotient obtained by dividing the participant's account balance by the participant's remaining life expectancy calculated using the age of the participant in the year of death, reduced by one for each subsequent year.

4.2. Death Before Date Distributions Begin.

(a) Participant Survived by Designated Beneficiary. If the participant dies before the date distributions begin and there is a designated beneficiary, the minimum amount that will be distributed for each distribution calendar year after the year of the participant's death is the quotient obtained by dividing the participant's account balance by the remaining life expectancy of the participant's designated beneficiary, determined as provided in section 4.1.

(b) No Designated Beneficiary. If the participant dies before the date distributions begin and there is no designated beneficiary as of September 30 of the year following the year of the participant's death, distribution of the participant's entire interest will be completed by December 31 of the calendar year containing the fifth anniversary of the participant's death.

(c) Death of Surviving Spouse Before Distributions to Surviving Spouse Are Required to Begin. If the participant dies before the date distributions begin, the participant's surviving spouse is the participant's sole designated beneficiary, and the surviving spouse dies before distributions are required to begin to the surviving spouse under section 2.2, this section 4.2 will apply as if the surviving spouse were the participant.

Section 5. Definitions.

5.1. Designated beneficiary. The individual who is designated as the beneficiary under Section 22 of the plan and is the designated beneficiary under section 401(a)(9) of the Internal Revenue Code and section 1.401(a)(9)-1, Q&A-4, of the Treasury regulations.

5.2. Distribution calendar year. A calendar year for which a minimum distribution is required. For distributions beginning before the participant's death, the first distribution calendar year is the calendar year immediately preceding the calendar year which contains the participant's required beginning date. For distributions beginning after the participant's death, the first distribution calendar year is the calendar year in which distributions are required to begin under section 2.2. The required minimum distribution for the participant's first distribution calendar year will be made on or before the participant's required beginning date. The required minimum distribution for other distribution calendar years, including the required minimum distribution for the distribution calendar year in which the participant's required beginning date occurs, will be made on or before December 31 of that distribution calendar year.

5.3. Life expectancy. Life expectancy as computed by use of the Single Life Table in section 1.401(a)(9)-9 of the Treasury regulations.

5.4. Participant's account balance. The account balance as of the last valuation date in the calendar year immediately preceding the distribution calendar year (valuation calendar year) increased by the amount of any contributions made and allocated or forfeitures allocated to the account balance as of dates in the valuation calendar year after the valuation date and decreased by distributions made in the valuation calendar year after the valuation date. The account balance for the valuation calendar year includes any amounts rolled over or transferred to the plan either in the valuation calendar year or in the distribution calendar year if distributed or transferred in the valuation calendar year.

5.5 Required beginning date. The date specified in Section 13(b) of the Plan.

SCHEDULE C
SPECIAL PROVISIONS RELATING TO MONEY PURCHASE PLAN BALANCES

1. The provisions of this Schedule C shall apply only to the account balances of Participants who transferred to this Plan (hereinafter “**Legacy RTI Participants**”) from the RTI Bargaining Unit Employee Savings and Investment Plan (hereinafter “**Legacy RTI Plan**”) effective January 1, 2017, and who have a Legacy RTI Money Purchase Plan Balance.
2. Legacy RTI Money Purchase Plan Balances. “**Legacy RTI Money Purchase Plan Balance**” means the portion of a Legacy RTI Participant’s account as of January 1, 2017 that is attributable to a money purchase plan. The following provisions shall apply to accounts with Legacy RTI Money Purchase Plan Balances:
 - (a) Not Available for Plan Loans. Legacy RTI Money Purchase Plan Balances will not be available for Plan loans.
 - (b) Not Available for In-Service Distribution. Legacy RTI Money Purchase Plan Balances will not be available for hardship withdrawals or any other in-service distribution or withdrawal.
 - (c) Form of Payment.
 - (i) Special Definitions. For purposes of this Article, the following special definitions shall apply:
 - (A) “**Annuity Starting Date**” means the first day that an amount is payable as an annuity under the Plan.
 - (B) “**Qualified Joint and Survivor Annuity**” means (1) if the Participant is not married on his or her Annuity Starting Date, an immediate annuity payable for the life of the Participant or (2) if the Participant is married on his Annuity Starting Date, an immediate annuity for the life of the Participant with a survivor annuity for the life of the Participant’s spouse (to whom the Participant was married on the Annuity Starting Date) equal to 50 percent of the amount of the annuity which is payable during the joint lives of the Participant and such spouse, provided that the survivor annuity shall not be payable to a Participant’s spouse if such spouse is not the same spouse to whom the Participant was married on his Annuity Starting Date.

- (B) **“Qualified Optional Survivor Annuity”** means a joint and survivor annuity that the Participant, subject to the spousal consent rules described in subsection (iv) hereof, may elect and in which the survivor annuity portion of the annuity is equal to 75%.
 - (C) **“Qualified Preretirement Survivor Annuity”** means an annuity purchased with at least 50% of a Participant’s account balance that is payable for the life of a Participant’s surviving spouse.
- (ii) The default form of payment for the entire account balance of all Legacy RTI Plan Participants with a Legacy RTI Money Purchase Plan Balance is a Qualified Joint and Survivor Annuity. Distribution shall be made to the Participant from his or her account in the form of a Qualified Joint and Survivor Annuity in the amount that can be purchased with such account, unless the Participant waives the Qualified Joint and Survivor Annuity as provided in subsection (iii) hereof. The Participant may also elect a Qualified Optional Survivor Annuity. If the Participant dies prior to his Annuity Starting Date, distribution shall be made to the Participant’s surviving spouse, if any, in the form of a Qualified Preretirement Survivor Annuity in the amount that can be purchased with such account, unless the Participant waives the Qualified Preretirement Survivor Annuity as provided in subsection (iii) hereof, or unless the Participant’s surviving spouse elects in writing to receive distribution in one of the other forms of payment provided under the Plan. A Participant’s account that is subject to the requirements of this subsection shall be used to purchase the Qualified Preretirement Survivor Annuity and the balance of the Participant’s account that is not used to purchase the Qualified Preretirement Survivor Annuity shall be distributed to the Participant’s spouse. In the event that the Participant’s benefit is payable in the form of a Qualified Joint and Survivor Annuity or Qualified Optional Survivor Annuity, the following provisions shall apply:
- (A) The Trustee shall purchase the annuity contract on behalf of a Participant or Beneficiary from an insurance company. Such annuity contract shall be nontransferable.
 - (B) The terms of the annuity contract shall comply with the requirements of the Plan and distributions under such contract shall be made in accordance with Code Section 401(a)(9) and the Treasury Regulations issued thereunder.

- (C) The annuity contract may provide for payment over the life of the Participant and, upon the death of the Participant, may provide a survivor annuity continuing for the life of the Participant's spouse. The types of annuity contracts available for purchase are limited to the Qualified Joint and Survivor Annuity or a Qualified Preretirement Survivor Annuity.
 - (D) The annuity contract must provide for non-increasing payments.
- (iii) Waiver of the Qualified Joint and Survivor Annuity and/or Qualified Preretirement Survivor Annuity Rights. A Participant may waive the Qualified Joint and Survivor Annuity and elect another form of distribution permitted under the Plan at any time during the 180-day period ending on his Annuity Starting Date; provided, however, that if the Participant is married, his or her spouse must consent in writing to such election as provided in subsection (iv) hereof. A Participant may waive or revoke a waiver of the Qualified Joint and Survivor Annuity and elect another form of distribution permitted under the Plan at any time and any number of times during the 180-day period ending on his Annuity Starting Date; provided, however, that if the Participant is married and is electing a form of distribution other than the Qualified Joint and Survivor Annuity or the Qualified Optional Survivor Annuity, his spouse must consent in writing to such election as provided in subsection (iv) hereof. A Participant may waive the Qualified Preretirement Survivor Annuity and designate a non-spouse Beneficiary at any time during the "applicable election period"; provided, however, that the Participant's spouse must consent in writing to such election as provided in subsection (iv) hereof. The "applicable election period" begins on the later of (1) the date the Participant's account becomes subject to the requirements of this section or (2) the first day of the Plan Year in which the Participant attains age 35 or, if he terminates employment prior to such date, the date he or she terminates employment with the Employer and all Related Employers. The "applicable election period" ends on the earlier of the Participant's Annuity Starting Date or the date of the Participant's death. A Participant whose employment has not terminated may elect to waive the Qualified Preretirement Survivor Annuity prior to the Plan Year in which he or she attains age 35, provided that any such waiver shall cease to be effective as of the first day of the Plan Year in which the Participant attains age 35. A Participant's waiver of the Qualified Joint and Survivor Annuity or Qualified Preretirement Survivor Annuity shall be valid only if the applicable notice described in subsection (v) or (vi) has been provided to the Participant.

- (iv) Spouse's Consent to Waiver. A spouse's written consent must acknowledge the effect of the Participant's election and must be witnessed by a Plan representative or a notary public. In addition, the spouse's written consent must either (a) specify any non-spouse Beneficiary designated by the Participant and that such designation may not be changed without written spousal consent or (b) acknowledge that the spouse has the right to limit consent as provided in clause (a) above, but permit the Participant to change the designated Beneficiary without the spouse's further consent. A Participant's spouse shall be deemed to have given written consent to a Participant's waiver if the Participant establishes to the satisfaction of a Plan representative that spousal consent cannot be obtained because the spouse cannot be located or because of other circumstances set forth in Code Section 401(a)(11) and Treasury Regulations issued thereunder. Any written consent given or deemed to have been given by a Participant's spouse hereunder shall be irrevocable and shall be effective only with respect to such spouse and not with respect to any subsequent spouse. In addition, with regard to a Participant's waiver of the Qualified Joint and Survivor Annuity form of distribution, the spouse's written consent must either (a) specify the form of distribution elected instead of the Qualified Joint and Survivor Annuity, and that such form may not be changed (except to a Qualified Joint and Survivor Annuity) without written spousal consent or (b) acknowledge that the spouse has the right to limit consent as provided in clause (a) above, but permit the Participant to change the form of distribution elected without the spouse's further consent. A spouse's consent to a Participant's waiver shall be valid only if the applicable notice described in section (v) or (vi) has been provided to the Participant.
- (v) Notice Regarding Qualified Joint and Survivor Annuity. The notice provided to a Participant under this section shall include a written explanation that satisfies the requirements of Code Section 417(a)(3) and regulations issued thereunder. The notice will include a description of the following: (i) the terms and conditions of a Qualified Joint and Survivor Annuity and the Qualified Optional Survivor Annuity; (ii) the participant's right to make and the effect of any election to waive the qualified joint and survivor annuity form of benefit; (iii) the rights of a participant's spouse; and (iv) the right to make, and the effect of, a revocation of a previous election to waive the qualified joint and survivor annuity.

- (vi) Notice Regarding Qualified Preretirement Survivor Annuity. The Participant shall be provided with a written explanation of the Qualified Preretirement Survivor Annuity comparable to the written explanation provided with respect to the Qualified Joint and Survivor Annuity, as described in subsection (v) hereof. Such explanation shall be furnished within whichever of the following periods ends last: (a) the period beginning with the first day of the Plan Year in which the Participant reaches age 32 and ending with the end of the Plan Year preceding the Plan Year in which he reaches age 35; (b) a reasonable period ending after the employee becomes a Participant; or (c) in the case of a Participant who separates from service before age 35, a reasonable period ending after such separation from service. For purposes of the preceding sentence, the two-year period beginning one year prior to the date of the event described above and ending one year after such date shall be considered reasonable; provided, however, that in the case of a Participant who separates from service and subsequently recommences employment with the Company, the applicable period for such Participant shall be redetermined in accordance with this subsection.
- (vii) Former Spouse. For purposes of this Section, a former spouse of a Participant shall be treated as the spouse or surviving spouse of the Participant, and a current spouse shall not be so treated, to the extent required under a qualified domestic relations order, as defined in Code Section 414(p).

SCHEDULE D
SPECIAL PROVISIONS RELATING TO FROZEN ROTH BALANCES
TRANSFERRED FROM OTHER PLANS

This Schedule D contains special provisions that supersede any contradictory terms in the Plan text.

1. The provisions of this Schedule D shall apply only to the account balances of Participants (“**Legacy RTI Roth Participant**”) transferred to either: (a) the Arconic Salaried Retirement Savings Plan or (b) the Arconic Hourly Non-Bargaining Retirement Savings Plan from either: (x) the RTI Employee Savings and Investment Plan; (y) the RTI International Metals, Inc. Employee Savings and Investment Plan; or (z) the RTI Bargaining Unit Employee Savings and Investment Plan effective January 1, 2017 and subsequently transferred employment to a company and location covered by this Plan with a frozen Roth account balance (“**Legacy RTI Roth Balance**”).
2. Required Minimum Distributions. Notwithstanding anything to the contrary in Section 11 of the Plan or otherwise, Legacy RTI Participants shall have the right to delay required minimum distributions on all Legacy RTI Plan Balances as of December 31, 2016 until the later of attaining age 70 ½ or the Participant’s Severance from Service Date.
3. Legacy RTI Roth Balances.
 - (a) Separate Roth Subaccounts; No New Contributions. Separate subaccounts shall be maintained for Legacy RTI Roth Balances. The Plan will maintain a record of the amount of the Legacy RTI Roth Balances in each such subaccount. Gains, losses, and other credits or charges will be separately allocated on a reasonable and consistent basis to each Participant’s Legacy RTI Roth Balances subaccount and the Participant’s other subaccounts within the Participant’s account. No new contributions other than properly attributable earnings will be credited to each Participant’s Legacy RTI Roth subaccount. No Roth rollovers are accepted into this Plan, and no in-plan Roth conversions are permitted under this Plan.
 - (b) Distributions. Distributions of Legacy RTI Roth Balances shall be available to the extent that other distributions are available under the Plan.
 - (c) No Plan Loans. No Plan loans shall be permitted from Legacy RTI Roth Balances.
 - (d) Small Sum Cashouts. Legacy RTI Roth Balances will be considered separately from other Plan subaccounts for purposes of rollovers of small sum cashouts under Section 11.

- (e) **Rollovers.** Any portion of an eligible rollover distribution of a Legacy RTI Roth Balance may only be rolled over to another designated Roth account established for the individual under an applicable retirement plan described in Code Section 402A(e)(1) that provides for Roth contributions or to a Roth individual retirement account described in Code Section 408A, subject to the rules of Code Section 402(c).
