**Arconic Inc. Announces Pricing of Debt Offering in Connection with Separation**

**PITTSBURGH, PA, February 4, 2020** – Arconic Inc. (NYSE:ARNC) (“Arconic”) announced today that Arconic Rolled Products Corporation (the “Issuer”), which is currently a wholly-owned subsidiary of Arconic, has priced its offering of \$600,000,000 aggregate principal amount of 6.125% second-lien notes due 2028 (the “Notes”). The sale of the Notes is expected to be completed on February 7, 2020, subject to customary closing conditions.

The Issuer intends to use the proceeds from the proposed offering to make a payment to Arconic to fund the transfer of certain assets from Arconic to the Issuer in connection with Arconic’s previously announced plan to separate into two stand-alone, publicly traded companies (the “separation”) and for general corporate purposes. The net proceeds from the proposed offering will be held in escrow until the completion of the separation and the satisfaction of certain other escrow release conditions. Prior to the separation, the Notes will not be guaranteed. Following the separation, the Notes will be guaranteed by certain of the Issuer’s wholly-owned domestic subsidiaries. Each of the Notes and the related guarantees will be secured on a second-priority basis by liens on certain assets of the Issuer and the guarantors.

The Notes and related guarantees are being sold in a private placement to qualified institutional buyers in accordance with Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”), and to certain non-United States persons in offshore transactions in accordance with Regulation S under the Securities Act.

The Notes and related guarantees have not been and will not be registered under the Securities Act or the securities laws of any other jurisdiction and may not be offered or sold in the United States or to, or for the benefit of, U.S. persons absent registration under, or an applicable exemption from, the registration requirements of the Securities Act.

This press release does not constitute an offer to sell or a solicitation of an offer to buy the Notes or any other security and shall not constitute an offer, solicitation or sale in any state or jurisdiction in which, or to any persons to whom, such an offer, solicitation or sale would be unlawful. Any offers of the Notes or related guarantees are being made only by means of a private offering memorandum.
